

Safe and Vault Combinations

Original Implementation: Unpublished
Date of Last Revision: January 28, 2014

Current combinations for safes or vaults holding cash, checks, or other valuable documents must be on file in the office of the vice president for finance and administration.

The department head must submit a memorandum indicating the location of the safe or vault, combinations, date of last combination change, if known, and the names of all employees that have access to the vault combinations. The memorandum must be delivered to the vice president for finance and administration in a manner such that no unauthorized person is able to access the confidential information.

The vice president for finance and administration must be notified when changes are made to safe or vault combinations, when the safe or vault is moved or transferred to another department, or when the safe or vault is removed from university property grounds. Safe and vault combinations must be changed anytime an employee who knows the combination terminates employment.

Annually, the vice president for finance and administration will request the safe or vault combination in each department to verify the information on file.
