Learning Guide 2: Chaucer and the Canterbury Tales

"There's never a new fashion but it's old."

~ Geoffrey Chaucer

INTRODUCTION

Chaucer is known as the "Father of English Literature", mainly because he was the first author to write in English. However, he wrote in Middle English, and most people need to take a few classes to make sense of his poetry! This was remarkable at a time when French and Latin were considered the only real languages of the cultured man. Chaucer was a diplomat who had seen a lot of the world and developed a great understanding and compassion for people of all stations of life. He is best remembered for his unfinished frame story, *The Canterbury Tales*.
