Excerpt from First Aid for Boys A Manual for Boy Scouts and for Others Interested in Prompt Help for the Injured and the Sick We have written this book especially for boys but that has not prevented us from trying to make it of service to everyone who is interested in doing the right thing for himself or for someone else in that tense moment when injury or sudden sickness brings confusion and pain In the first chapters we have considered the emergencies that are most dangerous to life such as shock bleeding sunstroke and heat exhaustion The method of grouping them in two classes makes it easy for you to read symptoms and to tell without loss of precious moments what is the matter with the person who needs your aid and what you should do for his comfort and safety From those most important emergencies the book goes on to consider accidents that through neglect may have serious consequences Understanding of these depends to no small degree on thorough knowledge of more dangerous emergencies therefore they find their logical place in the second part of the book In the last chapters we consider the everyday accidents which often enough are painful but which though they need careful attention are not sufficiently serious to touch life itself About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Johnson's First Aid Manual* Fred Barnett Kilmer,1912      *Handbook for Scoutmasters* Boy Scouts of America,1922      *Johnson's Standard First Aid Manual* Fred Barnett Kilmer,1918      *First Aid for Boys* Norman Brown Cole,2015-08-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *First Aid for Boys* Norman Brown Cole,2014-01-29 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is
