Pharmacy Master - The Ultimate Board Certified Geriatric Pharmacist Study Guide Eric John Christianson,2016-12-16 Simply put this BCGP review from Meded101 will help you pass your exam and become a Board Certified Geriatric Pharmacist I ve worked my entire career in geriatrics and wanted to share some of that clinical knowledge with you as well as provide you an incredibly valuable study guide Studying for a pharmacist board certification exam can be overwhelming It s likely been a few years since you ve taken an exam and the last thing you want to do is fail The next to last thing you want to do is to try to find 3 6 months to study for the exam As a father with two small children I realize how valuable time is What was frustrating to me about preparing for the Board Certified Geriatric Pharmacist BCGP exam formerly the Certified Geriatric Pharmacist CGP exam as well as the BCPS exam was that the study material was not to the point I felt like I needed to read thousands of pages to be adequately prepared Recognizing that challenge of time management as a busy professional I wanted to create the ultimate review for the BCGP exam that won t take you months to get through I wanted to give you the most important bullet points you need to know to best prepare for the exam I utilized the BCGP outline to create this study guide It breaks down nearly 80 of the most important geriatric disease states In this breakdown I include information about the signs and symptoms complications risk factors and of course the main drugs of therapy for each disease I also break down the most important clinical pearls from the drugs of choice for each disease state Within the medications to know breakdown for each disease state you will find clinical pearls important adverse effects drug disease and drug drug interaction information and essential compelling indications While this review

specifically follows the content outline for the BCGP CGP exam pharmacists seeking Board Certification in Pharmacotherapy BCPS or those seeking Board Certification in Ambulatory Care BCACP may also benefit from the clinical information within this study guide The Board Certified Geriatric Pharmacist Board Certified Pharmacotherapy Specialist and Board Certified Ambulatory Care Pharmacist are designations from the Board of Pharmacy Specialties BPS The contents contained within this study guide are not affiliated or endorsed by BPS *Bcps Bullets* Eric Christianson, 2017-03-07 Updates for 2019 We've updated and added some content in the following disease states Acid Base Disorders Bipolar Disorder Breast Cancer CHF Chronic Kidney Disease Clostridium Difficile Crohn's DVT PE Depression Diabetes Gout Migraines Hyperlipidemia Hypertension PUD Meningitis Osteoporosis Parkinson's PAD Rheumatoid Arthritis Sepsis Sexual Dysfunction Shingles STD's Vaccines If you talk to anyone who's taken the BCPS exam you'll quickly understand that the BCPS exam will likely be the most challenging exam you'll ever take You need all the resources you can get to make sure you are prepared In addition to the exam being very difficult you are likely a busy professional with very minimal free time I've always had a hard time staying focused while studying from large review article type study guides and have squandered hours reading while retaining very little This book is intended to be a crash course cheat sheet overview of the most highly testable material I wanted to remember the really important stuff because I know it is impossible to know every minute detail BCPS Bullets the Condensed BCPS Study Guide will help prepare you for the exam as well as help you maximize your study time We covered over 100 disease states straight from the BCPS content outline provided by BPS and included important pearls for each condition including assessments risk factors most commonly used drugs of choice must know adverse effects miscellaneous clinical pearls notorious drug interactions warnings and precautions and of course relevant labs I wanted to cover each disease state in 1-2 pages to try to ensure you are reviewing the most relevant content We did go over 2 pages on some disease states but we did our best to keep the information concise and critical for you to know in your preparation to becoming a Board Certified Pharmacotherapy Specialist The book is over 300 pages but it is in bullet point format and very easy to digest multiple disease states at a sitting There is also some white around the margins to take additional notes or highlight essential information to remember As many of you are aware from the content outline the BCPS exam is not all clinical In addition to the disease states on the BCPS content outline we've also included sections on biostatistics as well as important regulatory issues I can assure you that there is no doubt this book will help in your preparation to becoming a BCPS pharmacist The Board Certified Pharmacotherapy Specialist BCPS is a designation from the Board of Pharmacy Specialties The contents within this study guide are not affiliated or endorsed by the Board of Pharmacy Specialties
