Capitulating Bundle 1 Three Stories Of Erotic Submission:

His to Expose: A Trilogy of Submission, Discipline, Humiliation, and Forced Exhibition Jessica

Whitethread, 2014-07-18 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play humiliation discipline punishment forced exhibition submission and dominance All characters are 18 or older Her submission is personal but her humiliation will be public His to Expose contains three stories of submission and dominance forced exhibition humiliation and discipline The See Through Outfit Since coming to live with her dominant Robert neglect and boredom have become things of Jen s past When she finishes her to do list and goes to him for a little excitement and attention little does she know that he has in mind will bring her as much excitement and attention as she will be able to handle Although Robert begins their outing by bribing Jen with a gift from a sex shop he is well aware that she secretly enjoys his hobby of putting her in compromising and often humiliating public situations Her secret s safe with him of course but as for the rest of what she might try to keep covered up it s all fair game Self Control Robert has found a new toy and he believes he has a way to program it so that it will measure a woman s arousal When he catches Jen ogling a group of male models across the street from where they are having dinner he decides to bring her in on his little experiment If she can control herself and her body s responses while sitting through a male underwear fashion show she ll be free to spend the rest of her vacation exactly how she wants Eager to please and a little tipsy Jen boasts that the challenge will be easy but Robert knows her too well For each threshold you pass on the thermometer he adds you take off a piece of clothing right there and then Jen agrees secretly turned on by such high stakes but she knows that if she isn t careful arousal and humiliation will form a compounding feedback loop that will leave her the center of an impromptu exhibition more than sufficient to steal the show Unfair Comparisons Jen s partner Robert has always been a gentle and forgiving dominant often indulging her whims and preferring to let her play her part rather than resort to harsh discipline or exploit her naturally trusting ways But Jen s obedience has begun to slip and Robert is forced to accept that a change is needed To begin anew he invites a fellow dominant and his submissive to dinner thinking that their much stricter relationship might provide the eye opener he is loathe to inflict directly on his supposedly fragile submissive Jen is excited at the prospect but soon realizes that the evening will be far more intense than she is prepared for As the night escalates she will find herself torn between her natural reservations and the need to prove herself an equal of the visiting submissive in the eyes of their men In shockingly little time the drive to prove her devotion and obedience will have her doing things she never thought she could do and still falling short Excerpt Jen I heard his voice call out softly Here sir I said through the crack Pass me out your clothes please I squirmed as conflicting emotions of dismay and excitement fought within me He didn t want to give me any choice He didn t want me to see what he had picked out for me until I had already committed and until I couldn t say no Reluctantly I folded my skirt and blouse and passed them under the door Panties and bra too Jen he insisted A knee jerk objection caught in my throat and I

stared helplessly at myself in the little changing room mirror I didn't know if I was ready for this and yet I trusted him It was so much easier to just be his do what he wanted and lose myself in the aftermath good and bad without any of the responsibility It felt so good being his that it almost didn't matter What happened happened Yes sir I said not trying to hide the quaver in my voice In the end I always did as he asked but I wanted him to know that this prospect frightened me more than a little I stepped out of my panties and unclasped my bra trying to imagine myself in the comfort of our home and not in the back of an unfamiliar department store with nothing to cover myself Thank you he said as he took the precious garments from my proffered hand There was a rustling and then a little bundle replaced them under the door frame I picked it up and waited for more Perhaps it just looked small I unrolled the cloth and spread it on the bench My heart sank What I had at first taken for one garment was in fact two The tank top was simple unadorned and very thin When I rolled the cloth in my hand I could see my fingers on the other side Folded inside the top was a skirt The fabric was a bit thicker but it was so short that it did not stretch more than halfway from my wrist to my elbow I looked at them in dismay and turned back to the door 4
