Benefits of Retirement Planning: Step-By-Step

Approach to Retirement Planning Carroll Tappen,2021-09 Retirement planning is a multistep process that evolves over time To have a comfortable secure and fun retirement you need to build the financial cushion that will fund it all The fun part is why it makes sense to pay attention to the serious and perhaps boring part planning how you ll get there Planning for retirement starts with thinking about your retirement goals and how long you have to meet them Then you need to look at the types of retirement accounts that can help you raise the money to fund your future As you save that money you have to invest it to enable it to grow The surprise last part is taxes If you ve received tax deductions over the years for the money you ve contributed to your retirement accounts a significant tax bill awaits when you start withdrawing those savings There are ways to minimize the retirement tax hit while you save for the future and to continue the process when that day arrives and you actually do retire
