Bible Bowl Questions And Answers 1 Corinthians:

Another Way Kevin Brown, 2012-02-06 Like many young Christians Kevin Brown had what he believed to be a strong faith one that provided answers to all the questions he had and might encounter He even attended a Christian college and considered becoming a youth minister While there though he began having doubts about his faith began asking questions that came from discussions both in and out of the classroom questions he couldn't find answers to When the church told him he shouldn't be asking those questions he left the church and his faith behind He kept asking questions though and kept looking for a faith that would allow him to have questions and doubts yet still believe What he found may offer an answer to the religious divide in our society one that separates evangelical from progressive Christians one that separates sacred from secular In this memoir Brown describes his spiritual journey from his first faith to the loss of faith to the way he found back to a Christianity where he can ask those questions a different way than he knew before He still has questions and doubts but he also has faith in spite of and because of those questions and doubts
