## **Biblical Pronunciation Guide:**

*Webb's Easy Bible Names Pronunciation Guide* Steven K Webb, 2012-06-02 Who should use this guide Anyone who desires to pronounce the names of people and places in the Bible with confidence Do you read passages of the Bible in public This book is for you In private devotions do you gloss over the difficult names This book is for you This book was originally begun as a pronunciation guide for myself as I was recording the Douay Rheims Audio Bible When I was commissioned to do that work I was surprised to find that there was apparently nothing currently in print specifically for the Douay Rheims version that could help me to properly pronounce names of people and places In order to expedite the narration I began to compile a list of names and carefully researched pronunciations and that list became the book that you now hold in your hands Somewhere along the way I decided to include the spellings and pronunciations of all the English translations I could find As far as I know every spelling of every name in every English translation of the Bible is included in this guide Since the genesis of this guide was for the Douay Rheims Audio Bible which is a Catholic Bible names included in the Apocrypha appear here as well Great effort has been made to include every English Bible translation s names and places in this work If the reader would be so kind as to write to me at [info@EasyBibleNamesGuide.com](mailto:info@EasyBibleNamesGuide.com) if the reader is aware of omissions I will include additions in subsequent editions of this guide It is important to note that in my research I became aware of the fact that there are differing opinions on the correct pronunciations of many of the names contained in the Bible Often there really is no one correct way to pronounce a specific name Languages do morph over time and pronunciations can change This guide includes the generally accepted pronunciations in the United States in the year 2012 [The HarperCollins Bible Pronunciation Guide](#) William O. Walker, 1994-08-19 The most authoritative and easy to use Bible pronunciation guide available for use with any version of the Bible in English *Harper's Bible Pronunciation Guide* William O. K. Scott-Craig, 1982 **Pronunciation Guide for the Lectionary** Lorie Simmons, 2017-12-14 Anyone called upon to read from the Lectionary at Mass will appreciate LTP s Pronunciation Guide for the Lectionary Like the first edition it includes words from the full Lectionary for Mass Sundays weekdays ritual and votive Masses But LTP has added to this second edition the names of recently canonized saints for the United States and Canada and additional words suggested by readers The easy to understand pronunciation aids have been updated This resource will enrich anyone who reads studies and prays the Scriptures privately but it will be especially helpful to liturgical ministers who proclaim the Word in the liturgy readers deacons priests and masters of ceremony Knowing how

to pronounce the words gives readers the confidence and freedom to be fully present to their ministries to be a clear channel for God's Word to the assembly Although readers who proclaim at Sunday Masses are usually assigned far ahead and expected to prepare their proclamations weekday readers sometimes have less time to prepare To make things more challenging weekday readings often include difficult place names and personal names Providing a copy of Pronunciation Guide for the Lectionary in the sacristy could be a great service to weekday readers and to everyone else Those who lead Bible study groups in parishes would also find this guide invaluable Anyone who loves to read and discuss Scripture will want a copy handy at home
