Fighting the Fire Laura Kaye, 2021-03-30 Talk about insane chemistry This couple is fiery and you ll love the banter between these two CK Bookstammer One night is never enough For firefighter Sean Riddick Warrior Fight Club keeps the demons of his past at bay even though it means seeing Daniela England Her ball busting sarcasm drives him nuts and he knows he s damaged goods anyway but he can t help but remember how good they were together that one time Now he wants to take her to the mats no matter how much they go toe to toe ER nurse Daniela England has lost so much that she s vowed never to need anyone again Fight club helps her beat back her survivor s guilt but it means dealing with Riddick The hot but infuriating firefighter is everything she wants to avoid which is why their one night stand was a mistake Now she needs to keep her distance so it doesn t happen again But when Dani witnesses Sean s motorcycle accident she steps up to help him recover One on one they get beneath all the snark and find a connection neither expected As Sean heals the sparks between them burst into red hot passion and ignite old wounds Now there are fires all around and they have to decide which they ll fight and which they ll let consume them
