## **Billy Budd Sailor:**

*Billy Budd, Sailor and Other Stories* Herman Melville, 1986 Stung by the critical reception and lack of commercial success of his previous two works *Moby Dick* and *Pierre* Herman Melville became obsessed with the difficulties of communicating his vision to readers His sense of isolation lies at the heart of these later works *Billy Budd Sailor* a classic confrontation between good and evil is the story of an innocent young man unable to defend himself against a wrongful accusation The other selections here *Bartleby* *The Encantadas* *Benito Cereno* and *The Piazza* also illuminate in varying guises the way fictions are created and shared with a wider society In his introduction Frederick Busch discusses Melville's preoccupation with his correspondence with the world his quarrel with silence and why fiction was for Melville a matter of life and death Book jacket

*Billy Budd* Herman Melville, 2023 The 18th century is a turbulent time for the British Royal Navy with several mutinies following each other and the looming French Navy on the horizon Young Billy Budd is pressed into naval service against will with his innocence and charm belying the harsh realities of life at sea The good natured and physically impressive Billy quickly becomes the embodiment of both admiration and envy among the crew As the narrative unfolds Billy's moral integrity clashes with the strict and unforgiving naval code leading to a tragic confrontation with the conflicted master at arms John Claggart Herman Melville crafts a gripping tale that explores the complexities of morality justice and the inherent tensions between the individual and the institution HERMAN MELVILLE 1819-1891 was an American poet and novelist Melville was not popular during his own lifetime and largely forgotten upon his death however during the 20th century his work was rediscovered and his novel *Moby Dick* 1851 is today considered one of the great American novels **Billy Budd** Herman Melville, 1994-08 A comic book adaptation of the classic in which a handsome young sailor is sentenced to die for accidentally killing an officer **Billy Budd, Sailor and Selected Tales** Herman Melville, 2009-02-26 Truth uncompromisingly told will always have its ragged edges So wrote Melville of *Billy Budd Sailor* among the greatest of his works and in its richness and ambiguity among the most problematic As the critic E L Grant Watson writes In this short history of the impressment and hanging of a handsome sailor boy are to be discovered problems as profound as those which puzzle us in the pages of the Gospels Outwardly a compelling narrative of events aboard a British man of war during the turmoil of the Napoleonic Wars *Billy Budd Sailor* is a nautical recasting of the Fall a parable of good and evil a meditation on justice and political governance and a searching portrait of three extraordinary men The passion it has aroused in its readers over the years is a measure of how deeply it addresses some of the fundamental questions of experience that every age must reexamine for itself The selection in this volume represents the best of Melville's shorter fiction and uses the most authoritative texts The eight shorter tales included here were composed during Melville's years as a magazine writer in the mid 1850s and establish him along with Hawthorne and Poe as the greatest American story writer of his age Several of the tales *Bartleby the Scrivener* *Benito Cereno* *The Encantadas* *The Paradise of Bachelors* and *the Tartarus of Maids* are acknowledged masterpieces of their

genres All show Melville a master of irony point of view and tone whose fables ripple out in nearly endless circles of meaning ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
