

20. As the EEO Counselor you want to find out if they have ever gone through the EEO process before. If they have you want to check with OCRD about whether or not they can amend their current complaint.
21. You need to check the box next to the basis that the individual identified as the reason they believe they were discriminated against. You need to specify what each basis is as well. Therefore if you check the race box, you need to fill in what they have described as their race. You need to ask the aggrieved. Do not make an assumption based upon looks or anything else that you know. Find out from the aggrieved what basis they believe to have been discriminated against. If they did not identify an EEO basis, but it is something else covered by other statutes, such as marital status, status as a parent, veteran's preference, etc. fill in the non-EEO basis identified.
22. Please check the box of the issues that the individual brought to your attention for counseling.
23. **a:** Precise description of the issue(s) counseled. This box will expand if needed. Here is where you need to frame the claim. You need to specify the issue on which the individual was counseled. Who took the action? When the action occurred? Where did the discriminatory act occur? Why do they believe it to be discrimination based on the aforementioned basis? For example: Jane believes that she was discriminated against because of her race (Asian) when she was not promoted on Jan. 1, 2012; **b:** Provide specific background information relative to the Aggrieved's allegations.
24. Specify the remedy that the individual is seeking to resolve this case.
25. Provide information from the individuals that you spoke to here and their contact information. You need to capture the information they gave you in relation to why they took the action. Each box should be the information that each person gave you. These boxes will expand.
26. Rights and Responsibilities all these boxes should be checked if you went over the notice of rights and responsibilities with the individual. You should specify if the aggrieved elected to remain anonymous or not and if they elected ADR or not.
27. Election of Representation. If this is marked we also need the designation of representation form. If the individual does not have a representative then you don't need to mark any boxes.
28. List any attachments that you were given by the aggrieved party or management. If you viewed a document and returned it back to the aggrieved, indicate that it will not be attached, but that you did view it. Please list who has shared the document with you, so the investigator or OCRD can follow up if needed.
29. List here anything else that we should know that doesn't fit into the other boxes; such as the individual was difficult to reach or they have filed a complaint with the MSPB. Anything that we need to know in relation to this complaint and your counseling of it.
30. What was the outcome of the EEO counseling process? Check the appropriate box and insert the dates that are asked for.
31. Sign and date the report and submit to the EEO Specialist in OCRD within five days of issuing the notice of right to file.
