bestselling award winning BEYOND series Beyond Temptation Novella 3 5 Hacker Noah Lennox lives in the shadows fighting a one man war against the corrupt leader of Sector Five The only weak spot in his armor is his best friend's sweet younger sister the girl he swore to save even from himself With her brother dead and a target on their backs getting her out of the sector and out of danger meant giving her up for good Or so he thought Emma Cibulski has made her own home in Sector Four as a full member of the O Kane gang and apprentice to their infamous tattoo artist When Noah the first man she ever loved stumbles back into her life it's her chance to have it all The spark between them burns hotter than ever and this time her fantasies are far from innocent But can they handle the heat or will Noah's dark secrets drive them apart forever Beyond Solitude Novella 4 5 Mia risked everything to walk away from a gilded cage in Sector Two but grasping at freedom was only her first trial With no protection in the sectors every day is a struggle to stay alive Her best hope now is a job working for the most dangerous gang in Sector Four the O Kanes When a motorcycle accident leaves Derek Ford riding a desk at the O Kane compound the last thing he needs is a sexy new assistant upending his office and his life Especially someone like Mia who greets his growls and commands with smiles and a fierce independence The friction between them generates an undeniable

heat and Mia's stubborn refusal to let life beat her down stirs Ford's darkest protective instincts. He has the power to take care of her, protect her not only from discomfort but from threats of her past, but first he'd have to claim her. And Mia will never be kept again. *Beyond Possession* Novella 5.5 Tatiana Stone has worked hard to establish herself as one of Sector Four's most skilled crafters. All she wants is peace, but the sins of her father haunt her. He ruled the sector as a petty tyrant before the O Kane takeover, and plenty of people harbor bitter memories of his cruelty. Especially now that Tatiana's beloved baby sister has fallen in with a man who wants to start a revolution. Zan failed his boss once, and it won't happen again. So when Dallas O Kane asks him to defuse the rebellion brewing in the sector, he'll do whatever it takes to get the job done, including seduce Tatiana. It's the perfect opportunity to get closer to the pretty crafter and complete his mission. But what he discovers is a fiery passionate woman and an affair that could destroy them both.

***Beyond Innocence*** Kit Rocha, 2015-05-20 For years Jared has existed on the fringes of both Eden society and Dallas O Kane's Sector Four gang. He travels between these worlds, protected by his money and power, money he earned selling his body and power that comes from knowing secrets. He's untouchable until he starts a new life gathering intelligence for the O Kanes. Lili Fleming walked out of Sector Five with a gun, the bloodstained clothes on her back, and an icy determination to survive. She finds herself in a world where people live hard and love harder, and nothing's more terrifying than how much the O Kanes wake her up, make her feel, especially Jared. Emotion is a risk he can't afford, and a complication she doesn't need. But neither can resist the lust simmering between them, and the sparks that could either melt the ice around both their hearts or get them killed. Because the only thing more dangerous than loving an O Kane is loving a spy.

***Beyond Ecstasy*** Kit Rocha, 2016-05-24 The O Kanes have a reputation for working hard and playing harder, except for Hawk. He joined the gang with one goal: to ensure his family's survival through the impending war with Eden. It's been years since he had the luxury of wanting anything for himself. Now he wants Jeni. From the first moment he saw her, he's been obsessed with making her his. Not for a night, forever. Jeni's been lusting after the former smuggler for months, but he keeps shutting her down. She's almost given up on getting him in her bed when he offers her the last thing she ever expected: a collar. Accepting it means belonging to him, body and soul. It's a reckless gamble, but Jeni can't resist the chance to slip under Hawk's armor. The only thing more shocking than the dark, dangerous pleasure they discover is how right it feels. But falling in love is even more reckless when forever is far from guaranteed. Because they aren't just at war; they're out of time, and every breath could be their last.
