Beyond Leading And Managing:

Beyond Leading and Managing Patricia S. Yoder-Wise, Karren Kowalski, 2006 *Beyond Leading and Managing* focuses on real life stories and anecdotes about the practice of nursing administration. It highlights key information such as advanced administrative theory, financial decisions, quality control, working with external groups and individuals, planning strategically, and creating new opportunities within the profession. Theory boxes, case studies, and current literature and research located both in the book and on the Evolve website help the reader grasp the key points, remember them, and think about the practicality of the content in the real world of leading in healthcare organizations. A brief overview of the chapter helps focus readers, and the content builds the base of important information about the topic. Literature boxes pull out and summarize key relevant theories in nursing administration. Contemplations questions to ponder about the topic are included to help readers think about the practicality of the content. Leadership Stories offer actual scenarios of practice from a professional view. Administration certification is included as key content in the text. Evolve website offers web links and current research literature recommended by the authors. *Beyond Leading and Managing* is a NEW leadership and management text.

Leading and Managing in Nursing - E-Book Patricia S. Yoder-Wise, 2014-10-07 *Leading and Managing in Nursing* 6th Edition offers an innovative approach to leading and managing by merging theory, research, and practical application to better prepare you for the NCLEX exam and the transition to the practice environment. This cutting edge text is organized around the issues that are central to the success of professional nurses in today's constantly changing healthcare environment, including consumer relationships, cultural diversity, resource management, delegation, and communication. **UNIQUE** Each chapter opens with *The Challenge*, where practicing nurse leaders/managers offer their real world views of a concern related in the chapter, encouraging you to think about how you would handle the situation. **UNIQUE** *The Solution* closes each chapter with an effective method to handle the real life situation presented in *The Challenge* and demonstrates the ins and outs of problem solving in practice. *The Evidence* boxes in each chapter summarize relevant concepts and research from nursing, business, medicine, literature. Theory boxes highlight and summarize pertinent theoretical concepts related to chapter content. *Research and Literature Perspective* boxes summarize timely articles of interest and point out their relevance and applicability to practice. Separate chapters on key topic areas such as cultural diversity, consumer relationships, delegation, managing information and technology, legal and ethical issues, and many more. End of chapter *Tips* offer guidelines for applying information presented in the chapter. Numbered exercises challenge you to think critically about concepts in the text and apply them to real life situations. Eye catching full color design helps engage and guide you through each chapter. Glossary alphabetically lists and defines all the boldfaced key terms from the chapters. Chapter Checklists provide a quick summary of key points and serve as a handy study tool. NEW QSEN competencies incorporated throughout the text emphasize the importance of providing safe, high quality nursing care. NEW *What New Graduates Say* section at the

end of each chapter provides you with a real world perspective on the transition to clinical practice NEW Expanded content on legal and ethical issues care delivery strategies staffing quality and consumer relationships NEW Updated photos throughout the book maintain a contemporary and visually appealing look and feel
