Biblical Teaching About Social Value:

How Can We Solve Our Social Problems? James A. Crone, 2015-10-29 Rarely do I find a book that so clearly and concisely presents the material in such an accessible engaging manner I just hope it never goes out of print Chris Adamski
Mietus Western Illinois University Many of today's social problems poverty crime racism sexism drug abuse unequal access to quality health care or education threats to the environment over population can seem intractable James A Crone's *How Can We Solve Our Social Problems* Third Edition is designed to give students studying these types of social problems a sense of hope Unlike the standard survey texts that focus heavily on the causes and consequences of problems this book is devoted to analyzing possible solutions It maintains a sense of sociological objectivity throughout and without moralizing describes what could be done in America and on a global scale through government policies private sector initiatives and the collective actions of citizens to address even our most pervasive social problems Contributor to the SAGE Teaching Innovations and Professional Development Award

How Can We Solve Our Social Problems? James Crone, 2007 *How Can We Solve Our Social Problems* discusses how we can take specific realistic steps to solve a number of the world's social problems Author James Crone maintains a sense of sociological objectivity throughout and without moralizing describes what could be done to solve some of the most pervasive social problems in America today The suggestions in this book help students realize that we can take action we can take steps to solve our social problems

Jurisprudence for a Free Society Harold Dwight Lasswell, Myres Smith Macdougall, 1992-03-26 *Jurisprudence For a Free Society* is a remarkable contribution to legal theory In its comprehensiveness and systematic elaboration it stands among the major theories It is also the most important jurisprudential statement to emerge in the post war period The pioneering work of Lasswell and McDougall on law and policy is already legendary Most of the work produced by these scholars together and in collaboration with their students represent applications of their basic theory to a wide assortment of international and national legal and policy problems Now for the first time the authoritative statement of their legal philosophy appears as a single volume In Part I the authors develop their fundamental criteria for a theory about law including the requirements of clarifying observational standpoint focus of inquiry and the pertinent intellectual tasks incumbent on the scholar and decisionmaker for determining and achieving common interests Trends in theories about law including Natural Law the Historical School Positivism the Sociological Study of Law American Legal Realism and other contemporary theories are explored for what they might contribute to the achievement to the authors conception of an adequate jurisprudence In Part II the social process as a whole and the particular value institutional processes that comprise it are described and analyzed Because people establish maintain and change institutions the dynamics of personality and personality's relation to law is delineated Part III explores the intellectual tasks of policy thinking from clarification of values through description of trend the scientific examination of conditions projection of future developments and the invention of alternatives Part IV examines the structure of decision in a free society a society

in which the achievement of human dignity is confirmed in both word and deed Six appendices bring together monographs by the authors over a period of forty years which deal in more detail with particular matters treated in the body of the book

The Use of the Old Testament in Current Curricula Robert Seneca Smith,1929 A study of Old Testament material in the most representative graded religious texts with a description and analysis of these courses

Jurisprudence For a Free Society Harold D. Lasswell,Myres S. McDougal,2023-12-28 Jurisprudence For a Free Society is a remarkable contribution to legal theory In its comprehensiveness and systematic elaboration it stands among the major theories It is also the most important jurisprudential statement to emerge in the post war period The pioneering work of Lasswell and McDougal on law and policy is already legendary Most of the work produced by these scholars together and in collaboration with their students represent applications of their basic theory to a wide assortment of international and national legal and policy problems Now for the first time the authoritative statement of their legal philosophy appears as a single volume Part III explores the intellectual tasks of policy thinking from clarification of values through description of trend the scientific examination of conditions projection of future developments and the invention of alternatives Part IV examines the structure of decision in a free society a society in which the achievement of human dignity is confirmed in both word and deed Six appendices bring together monographs by the authors over a period of forty years which deal in more detail with particular matters treated in the body of the book The print edition is available as a set of two volumes 9780792309895

Christianity or Humanism: Which Will You Choose? Robert L. Waggoner, D.Min.,2014-06-09 Most Christians are blissfully uninformed about the worldview of Humanism and therefore do not realize that secular Humanism has now largely displaced our society s Christian foundations Robert Waggoner Precise information Secular Humanism is the major belief system that currently challenges Christian faith in the Western world Arguments and evidence The Christian worldview is indeed superior to Humanism Warning Humanism is a threat to Christian institutions and beliefs Motivation Greater activity is necessary not only in service to God and humanity but also in resisting and overthrowing Humanism
