

Cuckold Pregnancy Belly

There is nothing more beautiful than the swollen belly of a hotwife who has been bred by her old muslim servant, making her hindu husband **the ultimate cuckold**. The servant always deposited a lot of seed inside her womb, no condoms ever :(, and then **natural selection** happened, the wifey got knocked up by her old servant's seed and not her weak hubby. The servant has ended and **conquered the husband's bloodline**, he has defeated the husband in the ultimate battle as a man which is "to breed". Servant plans to give 5 children back to back to her and her husband to raise, and show her husband who is a **stronger real man**, who only can **breed his wife** & make her a mother again and again. The wife's body will change, she will produce milk for the servant's child, and servant will drink her milk, and the poor husband would have a third right over his wife's milk from her swollen breasts.

This is biology, this is nature, this is natural selection.
