Billionaire With Benefits Romancelandia Volume 2:

Billionaire with Benefits Anne Tenino, 2014-10-20 It's just a friend thing Before confessing his gayness to his best friend Tierney Terrebonne's sex life is strictly restroom After confessing his gayness to his best friend it doesn't improve much Why bother trying when the man he's loved for fourteen years see best friend is totally unattainable Good thing Tierney is an old hand at accepting defeat all it takes is a bottle of bourbon Or fifty Repeat as needed Dalton Lehnart has a history of dating wealthy damaged closeted lying cheating no good cowardly men so of course he's immediately attracted to Tierney Terrebonne Fortunately Tierney is so dissolute that even Dalton's feelings for the man would be better described as pity Which becomes sympathy as they get to know each other Followed by compassion concern caring and hopefulness as Tierney struggles to change his life When the man comes out very publicly and enters rehab Dalton finds himself downright attached to Tierney And as everyone knows after attachment comes Uh oh But post rehab Tierney can't handle more than friendship so Dalton should be safe from repeating his own past mistakes right Right *Theirs To Share (Book Two)* Layla Valentine, Ana Sparks, One delicious self made billionaire One smoking hot media mogul And one newbie journalist All wrapped up in one scorching hot power struggle that will set the city on fire What do normal folk know of what happens between billionaires Well I'm about to find out Because this time baby Good things really do come in threes I'm just a newbie reporter cutting my teeth Sent to write an expos on the hottest billionaire in town Or he would be if my tycoon boss wasn't making me drool at my desk They didn't tell me I was just a pawn in their game Because these two have a history And I'm going to get to the bottom of it I'm going to get the old friends and hated rivals back together And I'm going to be right in the middle of it Whether it's off the record or on top of their desks *The Billionaires Box Set Volume 2* Roxy Jordan, Book 1 Second Chance with the Billionaire A Standalone Billionaire Romance Short Story Breanna and Josh are two college students who are madly in love Sarah is Breanna's best friend and roommate Josh is a computer science student and Breanna is a cheerleader on a scholarship Josh is the valedictorian as well The three of them graduate together and start their new lives All goes well for Josh and Breanna in their new life until the unexpected happens They thought they had forever but when Josh gets something that he always wanted something he needs a hard decision has to be made Book 2 The Actress A Standalone Billionaire and Actress Erotic Romance Novel As Jan looked up the address of the hotel nearest LAX LA's airport A casting call looking for young female leads had caught her attention from the back of a literary magazine She was going out on a limb and it hit her now more than ever how much she was putting on the line to come out LA on the last of her savings as the plane touched down with the sound of squealing tires When the landing lurched her forward she knew it wasn't just the excitement of a bumpy ride that was making her chest thump Deep breathes and focused thoughts were something Jan used a lot of the time when she got anxious it was something that she'd learned back many years ago Cheerleading had taught Jane a lot and often times her minds drifted back to the life lessons Teamwork was something that few people in high

school seemed to understand besides maybe a few of the all star athletes Jane learned it took others to really excel She still believed that the individual was important but she saw them as cogs in a larger framework of other cogs A person together with other people could construct all kinds of designs and ideas something that cheerleading manifested with the tight triangle pyramids and graceful kicks that sent their flies flashing Jan still liked the attention but now acting was the foremost activity on her mind To her acting represented the perfect fusion of business and pleasure the ability hold someone's attention and manipulating them into feeling a certain way Jan was good at it and she knew it Agents knew it as well and her career thus far had been like a rocket or so it seemed But something had been bugging her in the back of the mind she had a reoccurring thought that maybe people kept giving her roles simply because of her looks Did that mean that they secretly wanted to sleep with her She would never know or so she thought But it didn't take long to find out Not too far into her career as an up and coming model she made the switch to extra in rap videos while trying to land more roles as a supporting actress She was in graduate school at the time and really needed the money so it didn't take much for her to be able to rationalize her decision The rap video gigs made her so much money that she didn't have to keep pulling long shifts at the local coffee place She kept telling herself that she wasn't being viewed as just a sexual object but then one night she was confronted by three close friends of a celebrity rapper with demands for sex Jan had walked that night on that job but the years of struggling while watching some of the same girls who hadn't refused to spread their legs take off career wise had made her bitter Jan was determined to be something respectable in life even though life had been complicated the last few years She'd split with Hal amidst not being able to help pay the bills when he'd been laid off from the local plant It had been hard and she'd had to briefly move back in with her mother It seemed like so long ago now when she thought back on it Almost like it had been grade school stuff But unlike grade school the crushes she made had never hurt her like they did now

WARNING This collection which contains some very steamy love scenes It is only appropriate for mature readers age 18
