**China Tourism**, 2005      **Tibet Travel Adventure Guide** Michael Buckley, 1999 A good guidebook is essential for travel in Tibet and this book provides the information needed to visit Tibet one of the most complicated places in the world for the independent traveler to enter and tour      East and West, 2009      *China Reconstructs*, 1988      **Field Trip Guide: Regional geology, structural geology, geotectonics and metamorphic belts**, 1996      **Patterns of Middle Class Consumption in India and China** Christophe Jaffrelot, Peter van der Veer, 2008-03-19 Patterns of Middle Class Consumption in India and China explores the complex history and sociology of the middle class from a comparative perspective It has papers written by sociologists anthropologists and political scientists rather than economists so the emphasis is on cultural shifts rather than economic statistics The major contribution of this volume is that these two emerging powers of Asia are not as usual compared to the West but with each other Considering that these two societies have so much in common in scale civilization history and as emerging economies the book is timely The focus of the book is on the social and political implications of the new consumption patterns among the middle classes of India and China in the

context of economic growth liberalization of markets and globalization Reflecting upon and critically engaging with the traditional sociological notions on which definitions of the middle class have been based the book analyzes the intermingling of these notions with new attitudes in the wake of the consumer revolution More specifically an entire gamut of aspects of the consumer culture have been explored tourism leisure activities and the entertainment industry art Karaoke and soap operas as well as the consumption of experiences through these It is argued that these phenomena have particular Indian and Chinese incarnations which need to be analyzed in a manner that does not privilege a limited western experience of globalization With its fresh insights and perspectives the book will appeal to students of anthropology sociology political science media studies and cultural studies It will also be useful for market research professionals **Beijing Review** ,1995
