O'Connor answers every question deftly and deeply that we've had about the most controversial person in America's biggest game. Peter King. Four-time New York Times bestselling sport biographer. Ian O'Connor pulls back the curtain on four-time NFL MVP Aaron Rodgers, delivering the definitive portrait of the legendary yet mysterious quarterback who has astonished, befuddled, yet always captivated fans of America's #1 sport. Aaron Rodgers is among the two or three most talented players to ever hold the most important job in American team sports: quarterback. He also stands as the most mysterious and polarizing figure in the modern-day national pastime that is professional football. From his controversial COVID stance to his methods of spiritual awakening to his estrangement from his family to his high-profile romances to his devastating Achilles injury a mere four plays into his New York Jets career, Rodgers has long dominated the NFL's news cycle. At thirty-nine, in search of a challenge that would rejuvenate him, Rodgers divorced the iconic Green Bay Packers of Vince Lombardi fame for the Jets, who have not appeared in a Super Bowl since Neil Armstrong stepped on the moon. The trade made Rodgers the biggest story in the biggest league in the biggest market. By far. That story only got bigger when Rodgers shockingly went down on the night of 9/11 in front of a packed house that roared for him when he took the field carrying an American flag and in front of the biggest Monday Night Football audience in ESPN history, peaking at more than 25 million viewers across all platforms. Rodgers then shocked the world by pulling off the fastest recorded comeback from an Achilles tear, returning to practice eleven weeks after surgery. Remarkably enough, he would have played again in the 2023 season at age 40 had the Jets remained in playoff contention. Ian O'Connor uses hundreds of original interviews to pull back the curtain and answer the most penetrating questions about the league's most enigmatic player. Just like he did in his defining bios of Bill Belichick, Mike Krzyzewski, Derek Jeter, Jack Nicklaus, and Arnold Palmer, O'Connor reveals all sides of an all-time great and delivers a portrait of a complex man that will forever shape the way he is viewed. Seven Days in Deia Luna Lovell, *Learning America* Luma Mufleh, 2022-04-05. A visionary leader's powerful personal story and a blueprint for change that will inspire schools and communities across America. Luma Mufleh, a Muslim woman, a gay refugee from hyper-conservative Jordan, joins a pick-up game of soccer in Clarkston, Georgia. The players, 11 and 12-year-olds from Liberia and Afghanistan and Sudan, have attended local schools for years. Drawn in as coach of a ragtag but fiercely competitive team, Mufleh discovers that few of her players can read a word. She asks, "Where was the America that took me in? That protected me? How can I get these kids to that America?"
