Updated review is derived primarily from ASPAN specific references including the current Standards as well as the new editions of ASPAN's PeriAnesthesia Nursing Core Curriculum and Drain's Perianesthesia Nursing. More than 800 multiple choice questions reflect current evidence and standards of practice and ABPANC's examination blueprints helping you identify knowledge gaps and prepare effectively for the current CPAN and CAPA exams. Exam based organization of questions mirrors that of the CPAN and CAPA exams covering the four core subject areas: physiological, cognitive, behavioral, safety and patient advocacy. Case study and clinical application questions reflect the style of the questions on the actual certification exams and help you to practice clinical reasoning. References for each question show where to find and verify the latest standards of practice. 175 additional questions on the Evolve website provide an interactive review tool allowing you to study efficiently and to identify any areas of weakness or to practice with questions that can be timed and scored to simulate a real life test taking experience. Answer key includes correct answers for each question along with detailed rationales.
