
Chapter 03 - Settling in the Northern Colonies

I. The Protestant Reformation Produces Puritanism

1. 1517, **Martin Luther** nailed his 95 Theses to the door of the Wittenberg Cathedral. Luther had several explosive ideas including...
 - The Bible alone was the source of God's word (not the Bible and the church or pope).
 - People are saved simply by faith in Christ alone (not by faith and good works).
 - His actions ignited the Protestant Reformation.
2. **John Calvin** preached Calvinism which stressed "**predestination**" (those going to Heaven or hell has already been determined by God).
 - Basic doctrines were stated in the 1536 document entitled Institutes of the Christian Religion.
 - Stated that all humans were weak and wicked.
 - Only the predestined could go to heaven, no matter what.
 - Calvinists were expected to seek "conversions," signs that they were one of the predestined, and afterwards, lead "sanctified lives."
 - Calvinists are famous for working hard, dusk to dawn, to "prove" their worthiness.
 - The impact of Calvinism has been vividly stamped on the psyche of Americans, and been called the "**Protestant Work Ethic**"
3. In England, **King Henry VIII** was breaking his ties with the Holy Roman Catholic Church in the 1530s.
4. Some people, called **Puritans**, were influenced to totally reform ("purify") the Church of England.
5. The Puritans
 - Believed that only "**visible saints**" should be admitted to church membership.
 - Separatists vowed to break away from the **Church of England** (AKA, the **Anglican Church**) because the "saints" would have to sit with the "damned." These folks became the Pilgrims.
 - **King James I**, father of the beheaded Charles I, harassed the Separatists out of England because he thought that if people could defy him as their spiritual leader, they might defy him as their political ruler.

II. The Pilgrims End Their Pilgrimage at Plymouth

1. The **Pilgrims** or Separatists, came from Holland, where they had fled to after they had left England.
 - They were concerned that their children were getting too "Dutchified."
 - They wanted a place where they were free to worship their own religion and could live and die as good Pilgrims.
2. After negotiating with the Virginia Company, the Separatists left Holland and sailed for 65 days at sea on the Mayflower until they arrived off the rocky coast of New England in 1620, a trip in which
