Loose-leaf Macroeconomics Brief Campbell McConnell, Stanley Brue, Sean Flynn, 2009-07-13 McConnell Brue and Flynn's Macroeconomics Brief Edition comes from the same author team as the market leading Principles of Macroeconomics textbook. It continues to be innovative while teaching students in a clear unbiased way. Like the 18th edition Macroeconomics Brief Edition has 3 main goals: help the beginning student master the principles essential for understanding the economizing problem, specific economic issues and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy. Although the Brief Edition is a derivative of Macroeconomics 18e, it is not a cut and paste book that simply eliminates several chapters of Macroeconomics 18e and reorders and rennumbers the retained content. Instead Macroeconomics Brief Edition is a very concise highly integrated economics textbook that is distinct in purpose, style and coverage from Macroeconomics 18e.

Macroeconomics: Selected Chapters from Economics Campbell R. McConnell, Stanley L. Brue, Sean M. Flynn, 2011-08-01

Macroeconomics Campbell R. McConnell, Thomas Paul Barbiero, Stanley L. Brue, 2006-12 This is a solid text that instructors can trust. It covers

the core curriculum and provides a strong overall support package In each of the last two editions the coverage of the core topics was shortened with the aim of getting to the point and reducing the reading time necessary for students This has made the book clearer and the process is being continued in the eleventh edition There are now three common chapters instead of four with Chapters 1 and 2 combined Reviewers considered this to be an excellent change as it will move the students more quickly into the subject matter Macroeconomics has a long and successful track record and people teaching principles of economics know it The new generation of principles books has had slower acceptance in the market for a variety of reasons and so this puts tried and proven books like McConnell in a good position The past few editions have been very good revisions that have obviously met with market acceptance because of the success they have enjoyed The effort to focus on core principles clear writing and clear and consistent graphics has brought a revival of the McConnell text in the Canadian market The clear writing currency of material examples and coverage of current events makes this a book that appeals to students
