**Investor's Note Book for 1871. How to Invest Money Profitably and Safely, Etc** George Henry BOWYER (AND CO.), 1871      *How to Invest when Prices are Rising* Irving Fisher, 1912      **How to Invest in the Stock Market** Tim Morris, Learn How to Start Investing in Stocks. Have you always wanted to learn about the stock market? Want to beat inflation and build your wealth? Don't know where to start? I'm here to help. Hi, my name is Tim Morris. In my book *How to Invest in the Stock Market*, I provide a down-to-earth, simple guide to investing in the stock market, which will provide you with the knowledge you need to begin trading stocks and growing your wealth. With over a decade of experience in the stock market, I know what works and what doesn't. I understand the markets, and after reading this book, you will too. Here's what you'll learn in this book: Chapter 1: History of Stocks. We first go over how the stock market started and what it has progressed into today. This includes the first company to issue stocks, the ways traders used to buy/sell shares, and why now is the best time in history to become a stock investor. Chapter 2: Stocks. We then go over what exactly a stock is and what drives stock prices up and down. This includes how a company starts issuing shares, the exchanges stocks are traded on, and the days/hours the markets operate. Chapter 3: Terminology. This chapter gives you all the terms you need to know when trading stocks, along with detailed descriptions of each. Examples include dividends, candlestick charts, volume, shorting, ETFs, and more. Chapter 4: How to Trade Stocks. This is the heart of the book, and where I teach you exactly how to begin trading stocks. We go over setting up a broker on your phone or computer, margin vs. cash accounts, and types of investing strategies you can partake in. This includes long-term investing, swing trading, and day trading. Chapter 5: How to Analyze Stocks. Want to find the best stocks to trade? You'll find it in this chapter. I show you the most common types of analysis used by investors, as well as theories that have made it through the ages that purport to show how the stock market operates. Chapter 6: How to Make Money in Stocks. This is the part of the book you've been waiting for: how do I make money? With my over a decade of experience in the markets, I show you the best way to actually invest in stocks, as well as the best way to make money. This

includes my own experience as well as the experience of others who found success in the stock market Chapter 7 Final Thoughts In the last portion of the book I give you my final tidbits of wisdom when it comes to investing in stocks This includes how to use a practice account how to avoid internet scams and ways to continue to learn more about the market after you re done with this book I even give you my personal email address if you have any questions after reading As a complimentary bonus only for book buyers you ll receive my special report titled Crush the Market This report goes over 14 beneficial tips I have learned throughout my trading career that will help keep your account profitable in the stock market This report is not sold to the general public and only available to buyers of this book If you re ready to start investing in stocks don t wait now is the time Pick up your copy of How to Invest in the Stock Market right now      *How to Invest Money with God* Christal Clayton,1982      *How I Trade and Invest in Stocks and Bonds* Richard Demille Wyckoff,1922      **How to Invest Wisely** American Institute for Economic Research,C.
