roles as you move from tower to tower One moment you're the visionary author the next a meticulous editor then a savvy marketer This multifaceted approach mirrors the entrepreneurial spirit that drives successful self-published authors<sup>68</sup> Your subsidiaries can be viewed as contracted freelancers or specialized departments within your empire The editor might be an independent contractor while your design team could be a small agency you collaborate with regularly Your distribution arm might leverage platforms like Amazon KDP acting as a vital partnership in your business model<sup>14</sup> Remember like the Great Wall your publishing venture is not built in a day It requires continuous effort adaptation and expansion Each book you publish is a new section of the wall extending your reach and influence in the literary landscape As you stand atop your Great Wall of Publishing surveying the vast territory of the book market take pride in the empire you've built Your ability to seamlessly transition between roles manage diverse subsidiaries and maintain a cohesive vision is what sets you apart in the world of independent publishing<sup>9</sup> In this ever-evolving industry your adaptability and entrepreneurial spirit are your greatest assets Like the Great Wall which has withstood the test of time your publishing venture can become an enduring legacy a testament to the power of independent authorship and entrepreneurial determination
