Conservatism Antti Lepistö, 2021-04-20 In the years following the election of Donald Trump a victory that hinged on the votes of white Midwesterners who were both geographically and culturally distant from the media's coastal concentrations there has been a flurry of investigation into the politics of the so called common man The notion that the salt of the earth purity implied by this appellation is best understood by conservative politicians is no recent development though As Antti Lepistö shows in his timely and erudite book the intellectual wellsprings of conservative common sense discourse are both older and more transnational than has been thought In considering the luminaries of American neoconservative thought among them Irving Kristol Gertrude Himmelfarb James Q Wilson and Francis Fukuyama Lepistö argues that the centrality of their conception of the common man accounts for the enduring power and influence of their thought Intriguingly Lepistö locates the roots of this conception in the eighteenth century Scottish Enlightenment revealing how leading neoconservatives weaponized the ideas of Adam Smith Thomas Reid and David Hume to denounce postwar liberal elites educational authorities and social reformers Their reconfiguration of Scottish Enlightenment ideas ultimately gave rise to a defining force in modern conservative politics the common sense of the common man Whether twenty first century politicians who invoke the grievances of the people are conscious of this unusual lineage or not Lepistö explains both the persistence of the trope and the complicity of some conservative thinkers with the Trump regime Ebony, 2005-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine The Times Index, 2008 Indexes the Times and its supplements *Grow Your Private Label Business: Learn Pinterest Strategy* Kerrie Legend, 2018-03-17 Why Pinterest Pinterest is an incredible search engine tool that is perfect for bloggers and marketers to grow their businesses online The trouble is most website owners either do not have their Pinterest account set up correctly or are not using Pinterest to gain followers grow their blog and get free website traffic Imagine a situation or your life if you could Grow your online traffic and social media following like you couldn't imagine in just an hour a week Constantly draw in new clients and customers not to mention traffic who are excited to hear what you have to say and are more than willing to share it with their friends and followers A blogger's dream right Become the online leader in your area of expertise Be the go to person for in the know Have a social media following that you can rely on to engage with you To buy your products services etc Have business growth without spending money on ads Have orders
