Bloody Dreams A Hate Candy Collection:

Bloody Dreams Jon Jefferson, 2014-12-17 Hate Candy bites back If you didn't know it already this is the tagline of the series Seems a little strange right What does this mean exactly In the first installment we were introduced to the familiar monsters in many shapes and forms Classics we come to know and love but at times we saw them in a new light a rediscovery if you will In this next round of stories we find much of the same Monsters and ghouls that seem oddly familiar but at the same time it is a chance to rediscover what made them special This is our chance to find those odd bits of candy that still have the sweetness we crave
