Blue Blood, True Blood Stewart A. Swerdlow,2002-01-01 The Prison Planet Handbook Denis Goodwin,2018-09-28

Who are we and where did we come from When we turn to the information provided to us we find a mud pool of possibilities Is this intended to subvert our built in guidance systems We also discover that people who are adept at researching big picture science are offered special jobs conditional on being sworn to secrecy What is behind this strategy Sometimes the reality prescribed to us doesn't fit with or explain what we experience So if you too know something is not quite right wonder what else is out there what the bigger picture is who benefits with us excluded from it and are ready for changes on earth the bottom line is here **A New Order of the Ages** Collin Robert q Bowling,2011-08-01 Evil has been discharged hither and thither and as a result a war is being waged between the Light and the Dark Powerful occult reptilian bloodlines have commandeered the corporate mass media and the military industrial complex the everyman no longer a free entity Why these torturing gifts and wherefore lent to the people No reason except for the desire to dominate and suppress It is an inkling the beasts of prey within man and reptile cannot control Secret societies are the gatekeepers to a much greater secret that encompasses extraterrestrials and cultures spanning across dimensions The labyrinth has already been entered next stop a closer inspection at money and the big business of Big Brother Are there more cards up the magicians sleeve Only one and that is the possibility for enlightenment Essays For The Next Generation Charles A. Thomas,2011-03-24 Discovering the creator's destiny for my existence has been the greatest thing that has happened to me with the exception of the birth of my son I feel like I have had a charmed life yet was aware early on that my spirit was placed on this planet for a reason Hopefully the thoughts and wisdom that has been given to me will transfer to the readers who pick up this book I recommend that you meditate on this material and I hope and pray that your spirit will grasp even the smallest of details I humbly offer my heart and soul to you *Essays for the Next Generation Volume 2* Charles A. Thomas,2023-09-24 This book of essays is designed to assist those who are in search of higher levels of awareness Those who aspire to ascend to new heights on their journey through this physical plane trying to balance it with spiritual fluidity and understanding hoping to open the consciousness to a collective level I pray that these written words provoke thought and adds wisdom to the public because we are living in a most fascinating of times where we will transcend into the understanding of other dimensions and elevated thought frequencies I feel so honored and privileged to have the opportunity to share a priceless and timeless look into the past present and future of the planet and pray that readers receive the truths discerned from the topics discussed in these essays The dream is to touch the youngest of babes to the most enlightened of minds For we are here at this particular moment in time for a reason So know the truth and the truth shall set you free **A New Order of the Ages** Collin Robert Bowling,2011-11-15 For millennia the human race has been controlled and manipulated by forces beyond our own dimension or awareness A carefully managed human extra dimensional breeding program has produced a hybrid slave race that isn't

aware of its true origins or fate Few know that these shadow puppeteers are actually in control that they even exist They are not human but then again neither are we As the epic battle of consciousness expands into the outer dimensions we know that one thing is for certain When the Liberty Bell rings once again their empire will be reduced to a heap of ashes There will be an army of forces backed by the highest of forces in the heavens which will conduct this re awakening of the masses This story recounts the takeover of planet Earth by the Snake of Zion and shares everything you need to know to be truly free The battleground is within each of us and our captors are but a reflection of humanity Unless we change ourselves how will the reflection be changed Hopefully after this enduring encounter deep into the rabbit hole you will realize how this reality has been manipulated by forces in the fourth dimension In order to succeed we must propel ourselves through the heart chakra and into the fifth dimension where the beloved Terra will find the peace and dignity that she deserves The fate of the world hangs in the balance All we have to do now is make a choice

Universal Truth Dr. Peter C. Rogers,2011-10-18 This book unlocks many of the mysteries held throughout ancient times by introducing the reader to concepts and beliefs predating organized religion Universal Truth is an expose of hidden knowledge and truths practiced by adepts and spiritual masters since the beginning of time as we know it In this book Dr Rogers researches countless subjects dealing with metaphysical teachings to help readers gain a better understanding of the world in which live and the laws that govern it Universal Truth is the key to the kingdom for anyone who s not afraid to venture beyond the known into a world of secrecy and mystery that lay hidden from the common person But be for warned this is not a book for the religious at heart nor the conditioned thinker but rather this is a book for the open minded and the brave spirited You wont believe what s been hidden from you by the Church the world governments and the powers that be This is truly a masterpiece and a cornucopia of light for the ardent seeker of wisdom

Tales from the Time Loop David Icke,2003 Tales from the Time Loop is the most comprehensive book yet written about the global conspiracy that emerges more clearly every day David Icke has been warning for well over a decade of the plan for a world fascist state a global version of Nazi Germany in which the people will be prisoners of a Big Brother dictatorship founded on the suppression of the most fundamental freedoms and total control and surveillance Today there is a gathering awareness that he was right People are realising that Big Brother is no longer coming He s here
