Marked Kayci Morgan, Taiver lived a simple but happy life as he studied under his mother to become a healer But when nobles came to his village for tribute he offered himself up to protect his family Now a branded and degraded slave Taiver must win the affections of his cold and aloof owner before he is discarded He must please his Master as if his life depended on it because it does Except Taiver sat on the river bank watching Yisa tie a worm onto a fishhook He shook his head at her We'll never catch anything if you keep feeding the fish for free dear sister She turned to him her cheeks reddening I'm sorry I just can't bear to impale it He took the rod from her and began putting the worm on properly No one could ever accuse you of not having a gentle heart But how is drowning the worm any better than putting a hook through it It seems like the latter would be a more merciful fate Yisa laid her head on her brother's shoulder She tilted her head up feigning a pout You mean the little guy doesn't know how to swim Taiver's head fell back and his shoulders shook with laughter which jostled Yisa off him He handed her the rod back and for a while they were silent listening to the sound of the river flowing the small creatures of the woods chirping and scurrying about until Taiver finally broke the silence Yisa Yes brother Mother asked me to speak with you Yisa pulled her long auburn hair over one shoulder and sighed What have I done to displease mother now Taiver watched the movement and knew what was to come she'd start braiding whenever she was upset or unhappy she worked with her hands That habit was probably what made her such a magnificent weaver everyone in town already went to her for the best cloth Any man she picked would be lucky to have a wife so talented It's not what you've done it's what you're not doing Mother is afraid you'll become a spinster I'm only nineteen Yisa exclaimed I know That's what I said But mother pointed out that all the other girls your age started courting two years ago and pretty soon the Brandson girls will be looking for men and at that point there may not be a single man left in town at least not one you'd want to marry Mr Brandson was a farmer with five daughters He was highly motivated to marry them off as soon as possible Yisa took the strands of hair and braided them deftly when she reached the end she took it down and began again Well if I haven't met anyone I like what am I supposed to do Taiver shrugged You haven't really given anyone a chance what about Teddy The butcher's son He's fat and he smells funny But he's a really nice guy and he has a good sense of humor Yisa looked at him incredulously Okay how about the blacksmith He's perfectly fit though I've never stopped to check his smell He's old He's in his thirties Which is old Some would call it established Well I call it old Taiver laughed I give up I'll inform mother of your plans never to leave the nest Yisa made a face When you put it like that it makes me want to propose to the next man that greets me Now that I think of it you're three minutes older than me why isn't mother jamming prospective wives down your throat Eh it's different for men Plus in a few years I'll have a bunch of pretty Brandson girls to choose from Yisa slapped his arm and stood up Fine I've heard your arguments Can we go back to the village now or do I

have to keep pretending that I enjoy fishing Taiver followed her cue and began to gather their things Yes let's head home We can tell mother all about your new courtship to Oh shoosh you Osushu I don't think I've met him Don't tell me you are marrying someone from the city mother would never forgive you Yisa laughed When they reached the center of the village they immediately stopped in their tracks There were two men on horseback noblemen The man sitting on the lead horse had short golden hair and tan skin He wore black leathers that blended in with the jet black stallion on which he was perched The other noble had a strong build and raven color hair with strands of silver at his temple He smiled lecherously at the maidens of the village as they stood on exhibit Not far off stood a band of soldiers well armed and ready for any trouble Taiver knew instantly who was on the black horse It was Lord Aric Bannister he was one of the three lords that controlled all of Talencia Lord Aric had complete dominion over all the lands west of the great city of Kes to the mountains of Kashar and from the way every unmarried girl stood before his horse staring at their feet while their parents stood nearby wringing their hands he had come for tribute He turned and saw Yisa without hesitation he pointed and said I'll take that one Taiver saw the guards coming towards Yisa and jumped in front of her No wait Aric held up his hand and his guards stopped He looked at Taiver waiting for him to speak Taiver couldn't believe the lord actually waited he had nothing resembling a plan He turned to Yisa on her face was a combination of terror and pain unlike anything he'd ever seen Without even thinking he blurted out Take me instead Now all eyes in the village were on him he scanned the group his mother was not there She often went to neighboring villages to look after the sick She'd come home to find him gone he wouldn't even get to say goodbye Aric laughed with surprise then speaking to him as if he were an idiot he asked You do know for what reason I'm taking her correct Taiver immediately got the mental image of his sister sobbing as she was being violated by noblemen and passed to soldiers when they were finished with her The thought enraged him I have a relatively good idea yes And you want to take her place Aric was still speaking slowly not sure if Taiver fully understood what he was asking No I don't want to be taken But if it's between me and her I'd rather you take me I'm her brother I'm meant to protect her Aric turned to his companion Taiver would later learn the dark haired man was Raymor Greenshire Baron of the Crescent Moon He and several other noblemen each managed parts of Lord Aric's province and more importantly they were good friends Raymor appraised Taiver then said You said you were in the mood for sweet asking for enslavement to spare his sister is certainly sweet Aric seemed to still be considering it so Raymor added And you said you were looking for something different pointing towards Taiver He's definitely different from your usual Aric considered their advice for a moment and then nodded Okay you get your wish I'll take you instead of your sister Taiver quickly hugged his sister goodbye and whispered in her ear Never forget I love you and tell mother I love her too He gave a silent prayer to the gods that this not be the last time he'd see her Then he turned to Aric who pulled him onto the back of his horse He sat behind him on the saddle as they turned to ride out of the town He waved to everyone and then buried his face against Aric's back He didn't want his people to see him cry Keywords abduction

But will Ashton keep bullying him like he always does, or will he help him? Unfortunately for Tim, Ashton wants to have some fun before he releases him, forcing the straight man to question everything he's ever believed about himself. Trigger warnings: Dubcon, bondage, first time gay. Titles included: *Forced by the Bully*, *Forced by the Bully Again*, *Forced by the Bully More*, *Forced by the Bully Forever*. Excerpt: Tim looked for it as he rolled to his side. A metallic click was heard over his head and with a sense of dread, Tim realised the cuffs had clicked into place. Damn, he muttered as he tried to break free. But the cuffs were real. Too real. It was what made him buy them in the first place. It turned him on to know they could hold him. To not be able to come loose once the cuffs were fastened. But this time it shouldn't have been that way. He was alone and there was no one around to help him. Dammit. Would it help if he called for help? Would someone be able to hear him through the thick walls? It was unlikely they would, considering all the noise from the Friday night parties. He'd counted on the noise to cover every moan he made during his masturbation session. But nothing worked out how he planned this evening. He lay still, trying to find a way out of this mess. If only he could call someone. It would be embarrassing, but anything was better than lying naked on his bed for the rest of the weekend until his roommate Jeff returned home on Monday. Then he heard someone unlock the front door and step inside the apartment. Maybe Jeff had forgotten something. It was the perfect chance to get some help. Hey, Jeff! Tim called out loud. I need your help, man. Soon after the door opened, a large man towered in the doorway, looking him over. Damn. It wasn't Jeff. Tim could easily recognise Ashton. He was his nemesis and the worst bully Tim had ever met. What was he doing here?

Ashton was the last person he wanted to help him The man had been bullying him ever since he moved here He always teased him about his slender build and knocked into him every time they passed each other What the f ck have you got yourself into this time dork Ashton asked with a smirk laughter and amusement evident in both his eyes and voice Help me out here I m stuck Tim said and wriggled the chains to the cuffs Ashton laughed again I bet you ve lost the keys too haven t you Only you can chain yourself up like a stuffed pig waiting to be punished Don t get any ideas moron Help me out here Tim was too pissed to care whether he annoyed Ashton or not If only he would help him instead of enjoying tormenting him I don t think so I like the view just how it is Ashton said pulling up his cell phone

Straight man forced by masked intruder Eli has always been straight So when a masked intruder inquires after his roommate Eli expects him to leave when Jim s not home Only to learn that the intruder wants a lot more And once is not enough The intruder keeps coming back for more Eli doesn t know how to escape the ordeal Or if he wants to Until he learns the true identity of the man who keeps invading his room Excerpt Eli heard the commotion Awakening from a deep sleep Eli felt confused Then he heard it The sound of a creaking floor as someone stepped on it It was probably his roommate Jim trying to sneak in without waking him up As if that would ever happen Jim had never been this quiet before Usually he barged inside their flat and slammed the door behind him Always oblivious to what other people considered ordinary hours and when they preferred to sleep But Jim had a lot of other good qualities so Eli didn t hesitate at all when Jim asked him to move in with him and split the rent The room Eli got was a decent size compared to the rent so he d moved in before Jim could change his mind about the deal Then Eli heard another floorboard squeak The footsteps were heading down the hall toward the bathroom and his room Jim was probably heading for the bathroom before he went to bed Eli rolled over and tried to return to sleep He dozed off for a while Suddenly he realised someone was in the room with him leaning their weight on his mattress What was going on Eli rolled over and tried to see who it was But then suddenly a dark shadow attacked him Pushing his shoulder down on the bed as a broad palm settled over his mouth Keep quiet and you won t get hurt a man s deep voice said with a menacing tone Eli stiffened and buckled widely Trying to kick the attacker off of him But the man seemed to expect whatever he did Quickly the man rolled him onto his stomach before he sat down on top of him Eli thought he must be a wrestler of some sort confused that the man had outmanoeuvred him so quickly and efficiently Get off Eli yelled at him Lay still dammit the man said Or the rest of them will also want a taste of this juicy ss What the hell are you talking about Eli asked as he tried to push up and throw the man away from his waist
