English Exam for Teacher Certification (EETC)

The EETC is a 2-hour exam with two parts, each designed to collect information on different types of language skills. There are no choices—you must do every task in both parts of the exam. You must pass each of these two parts to pass the exam. Although this exam is part of your certification requirements for the MEES, you are being tested on your language skills and not teaching skills or educational knowledge.

PART ONE: The Objective Language Tasks (30 minutes)

There are two tasks in this part:

1-An editing task

2-A multiple choice grammatical judgment task

PART TWO: The Professional Writing Tasks (90 minutes)

There are two tasks in this part:

1-Writing a letter

2-Writing an email

PART ONE: THE OBJECTIVE LANGUAGE TASKS

CONTENT AND EXAMPLES

The objective language tasks consist of two types of questions: editing questions and multiple choice grammatical judgment questions.

The types of errors you will see in PART ONE include:

- commonly misspelled, misused, or confused words;
- common structural errors such as subject-verb agreement, and other verb form errors;
- punctuation errors (including semicolons/colons, comma splices, run-on sentences, use of apostrophes and quotations, and capitalization);
- for French speakers, common errors made by francophones ("faux amis" or "Gallicisms").
