Effect of Grouping on Language Development of English Learners Seema Sabharwal, 2009-07-30 The purpose of the study was to examine if there was a significant difference between first grade English Learners EL who constitute a majority 50% of the English language mainstream classroom homogeneous grouping and first grade EL who constitute a minority

Restorative Practice Meets Social Justice Anthony H. Normore, Antonia Issa Lahera, 2017-01-01 Restorative Practice Meets Social Justice Un silencing the Voices of At Promise Student Populations is a collection of pragmatic urban school experiences that focus on restorative approaches situated in the context of social justice By adopting this approach researchers and practitioners can connect and extend long established lines of conceptual and empirical inquiry aimed at improving school practices and thereby gain insights that may otherwise be overlooked or assumed This holds great promise for generating refining and testing theories of restorative practices in educational leadership and will help strengthen already vibrant lines of inquiry on social justice The authors posit that a broader conceptualization of social and restorative justice adds to extant discourse about students who not only experience various types of daily oppression in US schools but also regularly live on the fringes of society Chapters are written by a combination of researchers and practicing school leaders who believe in the power of healing and restoring relationships within school communities as opposed to traditional punitive structures The dynamic approaches discussed throughout the book urge school leaders teachers school community members and those who prepare administrators to look within and build bridges between themselves and the communities in which they serve
