Spirituality and Alternativity in Contemporary Japan Ioannis Gaitanidis, 2022-10-20 This book critically analyses the creation and effects of spirituality as both discourse and practice in Japan It shows how the value of spirituality has been sustained by scholars who have wished for a more civic role for religion

by the publishing industry whose exponential growth in the 1980s fashioned those who later identified as the representatives of this new spirituality culture by spiritual therapists who have sought to eke out a livelihood in an increasingly professionalized and regulated therapeutic field and by the cruel optimism of an increasingly precarious workforce placing its hopes in the imagined alternative that the supirichuaru represents Ioannis Gaitanidis offers a new transdisciplinary conceptualisation of alternativity that can be applied across and beyond the disciplines of religious studies media studies popular culture studies and the anthropology sociology of medicine

Self-Help Books Sandra K. Dolby, 2005-04-06 Understanding instead of lamenting the popularity of self help books Based on a reading of more than three hundred self help books Sandra K Dolby examines this remarkably popular genre to define self help in a way that's compelling to academics and lay readers alike Self Help Books also offers an interpretation of why these books are so popular arguing that they continue the well established American penchant for self education they articulate problems of daily life and their supposed solutions and that they present their content in a form and style that is accessible rather than arcane Using tools associated with folklore studies Dolby then examines how the genre makes use of stories aphorisms and a worldview that is at once traditional and contemporary The overarching premise of the study is that self help books much like fairy tales take traditional materials especially stories and ideas and recast them into extended essays that people happily read think about try to apply and then set aside when a new embodiment of the genre comes along

Holding the Vision James Redfield, Carol Adrienne, 1996-12-01 How can the Tenth Insight Change My Life The insights found in The Celestine Prophecy and The Tenth Insight have touched the lives of many millions of people they are not theoretical When we become aware of how they work coincidences and serendipitous encounters increase for us As our level of consciousness expands our vision of the world is

transformed and we get a glimpse into the heart of creation And as we learn how thought and visualization precede reality we can begin to harness them to benefit our own future and the future of the earth The perfect companion volume for The Tenth Insight this hands on guide was written to help individuals and groups implement the ideas found in that book It provides detailed explanations and exercises on Tenth Insight topics previous lifetimes soul groups birth visions the use of dreams and prayers the afterlife and the World Vision It helps us experience firsthand how our own lives fit into the eternal cycles teaches us how to discover our own personal missions and reveals how we can all take part in the ultimately joyful world changes described in The Tenth Insight **The Purpose of Your Life** Carol Adrienne,2011-06-28 The co author of The Celestine Prophecy Experiential Guide helps readers uncover the unsuspected untapped power of synchronicity and intuition that will bring success satisfaction and serenity Everyone really has a purpose in life says Carol Adrienne in her new guide to harnessing the power inside yourself The question is How do you learn to go with the flow and let your true nature guide you Chapter by chapter The Purpose of Your Life explains how to locate the source of your innate energy and focus it how to align yourself with the natural forces that swirl around us always and how to develop the intuition that fosters synchronicity The book is packed with illuminating anecdotes and profiles of fascinating people from artists to urban planners to Zen masters who describe how they found their own purposes There are practical exercises throughout along with charts self questionnaires and other tools that help you understand yourself and your deepest aspirations As you learn to recognize and trust the voice of intuition you ll find new doors opening and new possibilities everywhere You ll feel invigorated by the potential you ve unleashed a power that will only grow with each new accomplishment And you ll discover the serenity and satisfaction that come only to those who are living life to the fullest The Force is with you all you have to do is reach out and start to use it **Intersections** Steven D. (Steven Douglas) Scott,Don Perkins,Erika Rothwell,1999

Braille Books Library of Congress. National Library Service for the Blind and Physically Handicapped, 1996 The
Bowker Annual Library and Book Trade Almanac Catherine Barr, 1995 **Who Do You Think You Are?** Carlos
Warter, 1999-07-06 Do you know who you are Dr Carlos Warter the esteemed physician psychotherapist and healer whose
charismatic lectures and workshops around the world have led untold thousands to rediscover their essential selves now
shares his prescription for achieving physical health and emotional joy Do you know why you get sick In today s society it is
all too easy to believe that we are our outer identities that we are spouse or lover child or parent worker or artist victim or
addict But now Dr Warter drawing on the age old wisdom of the world s major religions his own illuminating life experiences
and his consultations with the Dalai Lama and other great spiritual leaders shows that in order to heal to become whole to
become ourselves we must go beyond the small self constructed circles of identity that we assume each day For it is our very
attachment to these false limiting personalities that leads to chronic stress and disease while keeping us from recognizing
our greatest treasure our sacred selves In Who Do You Think You Are Dr Warter offers the tools from Buddhist prayers to
original meditations that can help us reconnect with our authentic selves And he presents the other profound precepts of his
new model of healing Discover why any transition birth illness death or indeed any kind of change can be a springboard for
personal and spiritual evolution how combining the use of modern medicine and alternative therapies with the power of an
open heart and divine love can bring us to a place of unconditional wellness how living in the moment results in greater
awareness a reduction in stress and the development of real self esteem Who Do You Think You Are is an important new
addition to the latest literature on the healing of the mind body and spirit one that provides a major breakthrough in how we
view the world ourselves and all humanity
