Confessions Of A Mother Inferior:

Confessions of a Mother Inferior Ericka Waller, 2015-01-29 A laugh out loud tale about love loss and motherhood and all the ups and downs ins and outs that happen along the way *Mom to Mom* Elisa Morgan, 1996 Mom to Mom Elisa Morgan, 1998-09 Through poignant and universal stories Morgan reassures mothers that they don't need all the answers as long as they know where to go with the questions **Rediscovering Confession** David A. Steere, 2009-05-26 Rediscovering Confession is about recovering the experience of confession in danger now of becoming a lost practice It explores our common urge as human beings to share and deal with what troubles us most whether we are inside or outside organized religion **The Confessions** Saint Augustine, 2008-08-14 In this new translation the brilliant and impassioned descriptions of Augustine's colourful early life are conveyed to the English reader with accuracy and art Augustine tells of his wrestlings to master his sexual drive his rare ascent from a humble Algerian farm to the edge of the corridors of high power at the imperial court of Milan and his renunciation of secular ambition and marriage as he recovered the faith that his mother had taught him It was in a Milan garden that Augustine finally achieved the act of will to Christian conversion which he compared to a lazy man in bed finally deciding it is time to get up and face the day ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Laughter and Awkwardness in Late Medieval England** David Watt, 2023-08-24 We live according to Adam Kotsko in an awkward age While this condition may present some challenges it may also help us to be more attuned to awkwardness in other ages This book pairs medieval texts with twenty first century films or television programmes to explore what the resonance between them can tell us about living together in an awkward age In this nuanced and engaging study David Watt focuses especially but not exclusively on the 15th century which seems to intervene awkwardly in the literary trajectory between Chaucer and the Renaissance This book's hypothesis is that the social discomfort depicted and engendered by writers as diverse as Thomas Hoccleve Margery Kempe and Sir Thomas Malory is a feature rather than a flaw Laughter and Awkwardness in Late Medieval England explains that these authors have a great deal in common with other fifteenth century authors who generated embodied experiences of social discomfort in a range of genres by adopting and adapting literary techniques used by their predecessors and successors in slightly different ways Like the twenty first century texts with which they are paired the late medieval texts that feature in this book use the relationship between laughter and awkwardness to ask what it means to live with each other and how we can learn to live with ourselves **Nineteenth Century and After**, 1905 **The Nineteenth Century and After**, 1905 The Twentieth Century, 1905 **Twentieth Century**, 1905 The Nineteenth century and after London The All England Law Reports Annual Review, 1982 **Host**
