Confessions Of A Bronx Ie:

Looking for Jimmy Peter Quinn,2022-03-22 In this stunning work chronicling the author's exploration of his own past and the lives of many hundreds of thousands of nameless immigrants who struggled alongside his own ancestors Peter Quinn paints a brilliant new portrait of the Irish American men and women whose evolving culture and values continue to play such a central role in all of our identities as Americans In Quinn's hands the Irish stereotype of Paddy gives way to an image of Jimmy an archetypal Irish American From Irish immigration to modern politics Quinn vibrantly weaves together the story of a remarkable people and their immeasurable contribution to American history and culture **Irish America**, 2000

Modern Augustinian Confession James Curtis Geist, 2016-12-29 Geists memoir is written in the tradition of Saint Augustines book Confessions Confessions is considered the first Western autobiography chronicling the saints struggles with sin lust and his life in Christian ministry With brutal honesty Jim Geist shares stories of struggle with character defects addiction and obsessive compulsive behavior It is a series of antidotal stories from elementary school little league sports family stories and funny stories from hunting camp graduate school ministry and his job as a high school social studies teacher in New York City In his fifteen years as an educator dozens of students encouraged Mr Geist to write a memoir because they found his stories interesting humorous and inspirational He was voted Teacher of the Year in 2012 by his peers the same year his assistant principal took him to arbitration to steal his livelihood for him speaking out against the change from teacher centered teaching to classes becoming times of group work where most of the time was not being spent on the curriculum or preparing for the New York state exams It is a memoir of his careers marriage divorce heartbreak relationships human rights activism against genocide and modern day slavery It is a story of an urban teacher in the midst of changes in the public education paradigm and a failed political candidate shot with slings and arrows of dirty tricks and false charges It has stories of arbitration and court battles and recovery from codependency through the twelve step program learning how to accept life on lifes terms You will find yourself laughing on almost every page and identifying with many of the human conundrums we face in life because life is often stranger than fiction **Supreme Court State of New York** Appellate Division Second Department, Religious Confession Privilege and the Common Law A. Keith Thompson, 2011-04-11 Despite what most evidence law texts say religious confession privilege does exist at common law This book provides proof from both historical and common law materials with consequences even in jurisdictions where the privilege now exists in statutory form The Irish Filmography Kevin Rockett, 1996 Documents as completely as possible all fiction films made in Ireland and about Ireland and the Irish produced world wide since the beginning of cinema New York Court of Appeals. Ireland of the last 30 years cannot be truly understood without taking into account the influence of Irish America This book traces the American connection from the 19th century onwards Desire, Dialectic, and Otherness William Desmond, 2013-11-08 Many philosophers since Hegel have been disturbed by the thought that philosophy inevitably favors sameness over otherness or identity over difference Originally published at a time when the issue was not so widely discussed in the English speaking world William Desmond here offers a constructive and positive approach to the problem of difference and otherness He systematically explores the guestion of dialectic and otherness by analyzing how human desire inevitably seeks immanent wholeness in a manner that opens it to irreducible otherness He faces the difficulties bequeathed to Continental thought by Hegelian dialectic and its tendency to subordinate difference to identity whether appropriately or not Unlike many recent critics of Hegel he argues that we must preserve what is genuine in dialectic Granting the positive power of dialectic Desmond offers his first articulation of a further philosophical possibility what he terms the Metaxological a discourse of the between a discourse doing justice to desire s search for wholeness without any truncating of its radical openness to otherness In a wide ranging yet unified discussion Desmond tackles such issues as the nature of the self the ambiguous restlessness and inherent power of being revealed by human desire desire s relation to transcendence its openness to otherness in agapeic good will and in relation to the sublime as an aesthetic infinitude Finally Desmond brings this metaxological understanding to bear on the metaphysical question of the ultimate origin This book is a remarkable introduction to Desmond's metaxological philosophy prefiguring many of the ideas with which his later thought is associated This second edition contains a substantial new preface and an afterword to each chapter in which Desmond reflects on the material from the standpoint of his current thinking The Gael Geraldine M.
