Notes* Diane Farmer,2013-02-17 A compilation of tidbits and factoids to assist in preparation for JCAHPO testing at COA COT  
and COMT levels I ve had at least a dozen people in the last couple months ask for copies of my self compiled notes I used for  
studying for and passing the JCAHPO COA COT and COMT tests Typically when someone asks I gladly and dutifully run out  
to Kinko s copy and print the files and sometimes have them spiral bound for ease of use as well and then am reimbursed for  
the cost I ve finally decided to streamline the process and get out of the middle of it AND produce a nicer looking product  
and save gas money and time in front of the printer lol The factoids are compiled from a multitude of resources through the  
years and started geared towards the COA It was then added to and grown as I studied for the COT and COMT exams I ve

found that different resources sometimes contradict one another so occasionally you ll find some contradictions in the notes as well      Certified Ophthalmic Medical Technologist Exam Review Manual Janice K.
