Covenant Relationships A More Excellent Way Paperback:

Covenant Relationships Keith Intrater, 1989-01-01 **Covenant Relationships** Keith Intrater, 1989-01-01 This is a handbook on the biblical principles of integrity and loyalty It lays important foundations for congregational health and right spiritual attitudes Topics include relationships the meaning of life how a blood covenant works financial accountability and more **The More Excellent Way**, 2006-10 This book investigates why unlike in the early centuries the ethical behavior of Christians today is so little different from that of non Christians It does this by first reviewing the teachings of Jesus about how Christians are to live and the positive response of early Christians to these teachings The major portion of the book then documents how the rise of asceticism and the proliferation of church law came to eclipse Jesus teachings of serving others through unselfish love It reviews how Chrysostom Augustine Luther and others tried to return the church to the New Testament way of life The book reaches two conclusions Christians today prefer to live by only avoiding the gross evils forbidden by the Ten Commandments rather than by Jesus all inclusive New Commandment of loving one another as he loved us They are also willing to offer God the piety of churchly activity but what God also asks a life of goodness serving one s fellowman they feel is just asking too much Validating Committed Partnerships: a Still More Excellent Way Jim Bowden, 2012-12-21 Although written from a biblical Christian perspective this books theme has practical value for everyone It presents a new relational paradigm supported by love justice mutuality and other spiritual qualities The author believes scripture teaches that all human beings are created to live in fulfilling relationships even those who are homosexual People of faith family however nearly 50% of American citizens and church members do not support legalizing same gender marriage This historical perspective on marriage reveals marriage has experienced considerable positive change and practice during the past 75 years and needs to be redefined Until the 20th century procreation be fruitful and multiply was marriages major purpose While procreation remains important mutuality has become the major emphasis As written in Genesis 2 18 NRSV God sought a partner for the man In many marriages partnership has replaced patriarchy providing an enriching relational experience in family life The author presents a new relational paradigm which includes both heterosexual and homosexual couples seeking a lifelong committed relationship Marriage of male and female and the union of same gender couples will share the title partnership safeguarded by the same legal standards For male and female their title will be a marital partnership for same gender couples their title will be a same gender partnership Rooted in the Land William Vitek, Wes Jackson, 1996-01-01 This book is dedicated to the notion that human lives are enriched by participation in a social community that is integrated into the natural landscape of a particular place The writers explore the loss of community the philosophical foundations of communities Amish communities and the current renewal of community life Theology of Work Bible Commentary, 1-volume edition Theology of Work Project, Inc., 2021-10-05 This Theology of Work Bible Commentary is an in depth Bible study tool put together by a group of biblical scholars pastors and workplace Christians to help you discover

Campbell, Kelly Sorensen, 2025-09-09 Though used by millions as a guide for how to live one's life the Book of Mormon's links with contemporary ethics remain largely unexamined Courtney S Campbell and Kelly Sorensen edit essays that spotlight and encourage further thought on these connections Contributors in the first section discuss foundational issues such as the Book of Mormon's moral psychology its minimalist and covenantal moralities the nature of the good and how the good is known the question of whether value depends on a certain kind of future the Book of Mormon's strategy for moral persuasion and God's participation in human choices In the second section the essayists turn to everyday ethical questions concerning resistance to forced cultural assimilation clothing and dress authority and memory The final chapter further explores practical moral visions A rich and thought provoking analysis *Moral Visions* examines the Book of Mormon through a variety of methods while aiming to deepen understanding of both the text's messages and its potential place in future discussions of ethics Contributors Daniel Becerra Courtney S Campbell Ryan Davis Michael D K Ing Ariel Bybee Laughton Kimberly Matheson Rachel Esplin Odell Kelly Sorensen Joseph M Spencer Books in Print ,1994 Book of Mormon Student Manual The Church of Jesus Christ of Latter-day Saints, 2009-07 **Enjoying the Old Testament** Eric A.
