**1. Hello all!**

I'm creating these sets as a study reference for you. I can't promise that EVERY card is going to be correct (I'm human too! I make mistakes!), so if you see something wrong please let me know!

These cards are based on a combination of lecture notes and the Questions to Ponder provided to us by Dr. Torres. I typically study them using the 'Flashcards' study mode with the 'Start with Term' and 'Shuffle' settings on. If you're learning the content for the first time, it may help to learn it in order by turning shuffle off.

**I hope these cards help!**
