- 1 Last month, I had a school exam, and I was really anxious about it. I studied hard, but I didn't sleep the night before the exam. In the morning, I felt terrible. But my dad said, "Don't worry – it isn't a really important exam so just do your best." I felt more relaxed after that, and I wasn't anxious in the exam. The questions were all fine too, and I did really well. So I won't be worried next time.
