Curb Season 3 Episode Guide:

Pretty, Pretty, Pretty Good Josh Levine, 2025-10-28 Readers can't curb their enthusiasm for *Pretty Pretty Pretty Good* now fully revised and including a full insightful episode guide to the entire *Curb Your Enthusiasm*. For Larry David, success was no sure thing. A frustrated New York comic who was known to walk off the stage in disgust, David was barely making a living. At least until his friend Jerry Seinfeld asked him to create a new kind of television sitcom for NBC. The result, *Seinfeld*, started slowly but became a gigantic hit. But most people didn't know that the real genius behind the show was Larry David. Rich beyond his wildest dreams, David still had something to prove and some television boundaries to push. And so he created *Curb Your Enthusiasm*, the improvised comedy that cast aside political correctness and made for hilarious cringeworthy TV, a show that dared to relive the disastrous *Seinfeld* finale and turn it into a triumph. This second fully updated edition of *Pretty Pretty Pretty Good* offers a complete episode by episode guide to the series and recounts David's early struggle to succeed in television and movies, the creation and development of his hit sitcoms and his later success starring in the HBO film *Clear History* and the Broadway hit *Fish in the Dark*. It also explores Larry's on and offscreen relationships with famous pals like Richard Lewis, Ted Danson, and Jerry Seinfeld. Julia and Michael Filled with candor and humor, David himself would respect *Pretty Pretty Pretty Good* is an essential companion to a comedic force.

5000 Episodes And No Commercials David Hofstede, 2006 Complete information on every television sitcom, special, and drama series released on DVD, including year of original airing, information on audio and video quality, extras, cast members, and guest stars, and more is provided in this guide.

Original [Television Westerns Episode Guide](#) Harris M. Lentz, 1997 Since Hopalong Cassidy and the Lone Ranger blazed their first trails on television in 1949, Westerns have been the genre of choice for 180 series. Some, like *Gunsmoke*, *Bonanza*, and *Maverick*, for example, were classics; others, such as *26 Men* and *Shotgun Slade*, were quickly forgotten. From *Adventures of Briscoe County* through *Zorro* and *Son of the Beach*, this comprehensive reference work covers all 180 Western series. Each entry opens with a listing of the broadcast history of the series, including original network, day, and time. This is followed by a listing of the regular cast members and a brief premise of the series. The individual episodes are then covered with the title, original air date, leading guest stars, and a brief synopsis. An exhaustive index completes the work.

Television Program Master Index Charles V. Dintone, 2014-02-11 This work indexes books, dissertations, and journal articles that mention television shows. Memoirs, autobiographies, biographies, and some popular works meant for fans are also indexed. The major focus is on service to researchers in the history of television. Listings are keyed to an annotated bibliography. Appendices include a list of websites, an index of groups or classes of people on television, and a list of programs by genre. Changes from the second edition include more than 300 new shows airing on a wider variety of networks, 2000 plus references, more than double the second edition, and a large increase in scholarly articles. The book provides access to materials on almost 2300 shows, including groundbreaking ones like *All in the Family*, almost 200 entries, cult favorites like *Buffy The Vampire Slayer*, 200 plus
