Resumes For Dummies Joyce Lain Kennedy, 2007-02-26 Is your job search stalling out after you submit a resume but before you're offered an interview? With reinvented recruiting technology, unmanageable millions of resumes choking employer databases, and government mandates in the name of diversity, a gigantic change has occurred in the recruiting world over the past several years, and it demands a fresh look at how you write and market your resumes. Whether you're entering the job market for the first time, changing jobs, or changing careers, *Resumes for Dummies* 5th Edition will show you the ropes and rules for a new era in recruiting and job finding. With 85% new content added since the previous edition, this up-to-date guide gives you the very latest strategies on how to create and more importantly, distribute your resume in today's new job search environment. You'll learn: Why most generic online resumes fail; How to customize resumes for each job opening; New quick ways to find the right jobs; How to use meta search engines to your advantage; Why both digital and print versions of resumes are still needed; How to use resumes interactively; The resume basics that still knock 'em dead; How to create resumes for your life's changing phases; What to do after you send them your resume. With a wealth of sample resumes organized by industry and career field, experience level, and age, and special circumstances, along with tips on choosing professional resume help and other valuable resources, *Resumes for Dummies* 5th Edition will help you get noticed in a universe saturated with billions of resumes and more on the way.

The Complete Idiot's Guide to the Perfect Resume

Susan Ireland, 2002-12 Includes tips on writing an effective resume, creating an accurate yet impressive job statement, networking using software programs and other resume technologies, and making the most of your experience. [The Complete Idiot's Guide to the Perfect Resume, 5th Edition](#) Susan Ireland, 2010-01-05 Resume revamped for the times, technology, and the recession. The recession has made finding a job harder than ever. Everything now takes place online, and a resume's preparation is different than even a few years ago. This new edition has changed with the times, focusing on what's most important in an electronic resume. Full of successful resume samples and cover letters, the book also focuses on the key words and phrases that will bring your resume to the top of the HR pile. More than 100 samples of real-life resumes and cover letters, many of them new. Founded in real-life experience without the rigid resume-writing rules of other guides. Ideal for all job seekers, from new grads to the laid-off worker, new mothers to senior citizens.
