Page, 2013-11-29 Nursing Resume A Job Guide for nurses is a complete book package to help nurses find a job. This book is short and to the point and the entire package includes 10 premium resume templates (see inside book for a preview), 10 premium cover letter templates, they match the resume templates, a few basic traditional resume templates and a sample resignation or two weeks notice template. All templates are in docx format and are best edited in the Microsoft Word software. If you do not have Microsoft Word, you can usually download a free trial. Google Docs may also work, however, formatting errors may occur if you use other programs other than Microsoft Word. These templates must be downloaded online using information at the end of this book. Why Do You Need a Custom Resume Template? Your resume is the very first step in getting a job. When you begin searching for a job, you'll ultimately be uploading or submitting resumes to various employers. If you turn in a poorly constructed resume, it could get tossed in the trash. You want a resume that will stand out and grab the hiring manager's attention. That's why I contracted a graphic designer to create 10 professionally designed resumes, all with nursing/healthcare themes. These resumes include all of the major sections. All you have to do is fill in your own information. They are completely customizable and you can edit the text, add sections or change them any way you want. You also get the 10 beautifully designed cover letters that match the resumes. You also receive a resignation template for occasions when you

need to leave your current job for a better opportunity One resume template alone would be worth the price However you re going to receive all 10 professionally designed resume covers along with cover letters and this short job guide About the Book This book was designed to give you the information you need to strategically find a job You ll get information on compiling your resume tips on how and where to submit your resume tips when sitting for an interview tips on leaving your old job and tips on advancing your career This is not just a book this is a job tune up The guide is short and to the point and focuses on the information you need to start finding a job immediately The author S L Page shares her insights into getting a job She combines her personal experiences along with the advice of nurse managers she s spoken with through the years What This Book Package Includes 10 beautifully designed resume templates 10 matching cover letter templates A resignation two weeks notice template The paperback book to help you find a job Template Requirements Templates are in docx format It is best to use Microsoft Word to edit them Google Docs a free alternative may work okay but some minor formatting errors may occur For absolute best results we recommend using Microsoft Word to edit the templates Template Licensing Terms The templates may be used an unlimited number of times for your own personal use You may not resell redistribute or give away for free any of the templates included with this package [Launching Your Career in Nursing and Midwifery](#) Annabel Smoker,2015-12-01 Gaining a first job as a nurse or midwife is becoming not only highly competitive but an increasingly more complex process This practical guide will help students get ahead of other applicants by picking apart the experience of applying for a job from start to finish Readers will discover a wealth of information on career planning continuing professional development and next steps Accessible and user friendly this is an essential text for student nurses and midwives at any stage in their pre registration education and more especially for those in their final year as they prepare for the move into qualified employment or further discipline specific study **The Road to Nursing** Nick Arnott,Penny Paliadelis,Mary Cruickshank,2021-11-22 Being an effective and well rounded nurse in Australia is not just about technical skills it s also about thinking like a nurse The Road to Nursing helps students develop clinical reasoning and critical reflection skills understand the philosophical and ethical considerations necessary to care for clients and reflect on how to provide care that meets the unique needs of clients This edition retains three parts which guide students through their transition to university formation of a professional identity and progression to professional practice A revised chapter order improves the transition between topics and a new chapter explores the ever changing Australian health landscape including recent technological innovations Each chapter includes definitions of key terms reflection questions perspectives from nurses end of chapter review questions research topics and resources that connect students with the real world practice of nursing Written by healthcare experts The Road to Nursing is a fundamental resource for students beginning a nursing career
