Stepbrother Dearest Penelope Ward, 2024-10-04 THE NEW YORK TIMES BESTSELLER THAT STARTED A PHENOMENON A COMPLETE STANDALONE You're not supposed to want the one who torments you. When my stepbrother Elec came to live with us my senior year, I wasn't prepared for how much of a jerk he'd be. I hated that he took it out on me because he didn't want to be here. I hated that he brought girls from our high school back to his room. But what I hated the most was the unwanted way my body reacted to him. At first, I thought all he had going for him were his rock-hard tattooed abs and chiseled face. But things started changing between us, and it all came to a head one night. Then just as quickly as he'd come into my life, he was gone back to California. It had been years since I'd seen Elec. When tragedy struck our family, I'd have to face him again. And holy hell, the teenager who made me crazy was now a man that drove me insane. I had a feeling my heart was about to get broken again.

Stepbrother Obsessed S.E. Law, I had my stepbrother's baby in secret. Kristie. My mom married Nick Bradley's dad years ago, and it was a happy union. Our families merged, and I went from being an only child to having a handsome older brother. Of course, Nick never paid attention to me. Why would he? I was nothing but an annoying little girl who trailed after him with puppy dog eyes. Still, something changed along the way. I lost the glasses, took off the braces, and most of all, developed curves. Even better, the night I turned eighteen, I showed up at my birthday party, but my handsome older brother Nick was gorgeous with broad shoulders, piercing blue eyes, and a smirk on that mobile mouth that made me want to slap him and kiss him at once. But the unexpected happened because I left the party pregnant with his child, Nick. I've wanted Kristie since she was nothing but jailbait. It's fucked up and wrong because we're technically family. So I did everything in my power to get her out of my blood. I moved away, I slept with other chicks, and even got into a serious relationship with another woman. But Kristie's deep under my skin, and after all these years, I'm still obsessed. What she doesn't realize is that obsession burns bright, and now that she's had my child, I'm claiming her and the baby as MINE. Call 911. This is a tale of forbidden romance between two people who absolutely positively shouldn't. Their liaison is taboo, and Nick and Kristie spend every ounce of their energy trying to fight the attraction to no avail, of course. Steam, Spice, Scorching heat that burns up the sheets. Yes, and with a secret baby in the mix too. This story is a follow-up to *The Brat* and *the Bodyguard*, but my stories are standalones and can be read in any order. HEA guaranteed.
