Each item in this test has four suggested answers lettered (A), (B), (C), (D). Read each item you are about to answer and decide which choice is best.

On your answer sheet, find the number which corresponds to your item and shade the space having the same letter as the answer you have chosen. Look at the sample item below.

Sample Item

Choose the word that BEST completes each sentence.

Someone who is suffering from influenza needs to be isolated as the disease is _____.

- (A) lasting

(C) destructive

Sample Answer

The best answer to this item is “contagious,” so (D) has been shaded.

If you want to change your answer, erase it completely before you fill in your new choice.
