Blackberry Storm 9530 Service Manual

Joli Ballew

BlackBerry Storm 9530 Service Manual:

Advanced BlackBerry 6 Development Chris King, 2011-07-21 BlackBerry devices and applications are selling by the millions. As a BlackBerry developer, you need an advanced skill set to successfully exploit the most compelling features of the platform. This book will help you develop that skill set and teach you how to create the most sophisticated BlackBerry programs possible. With *Advanced BlackBerry 6 Development*, you'll get a comprehensive look at the new features included with SDK 6, including the web and widgets SDK, the web browser, and more. You'll also learn how to take advantage of BlackBerry media capabilities such as the camera and video playback. The book also shows you how to send and receive text and multimedia messages, use powerful cryptography libraries, and connect with the user's personal and business contacts and calendar. Not only will you be learning how to use these APIs, but you'll also be building a program that takes full advantage of them: a wireless media sharing app. Each chapter's lessons will be applied by enhancing the app from a prototype to a fully polished program. Along the way, you'll learn how to differentiate your product from other downloads by fully integrating with the new BlackBerry 6 operating system. Your app will run in the browser and within device menus, just like software that comes with the phone. You will even learn BlackBerry's new Web browser features, Web standards-based software development kit, and more. Once you are comfortable with writing apps, this book will show you how to take them to the next level. You'll learn how to move from running on one phone to running on all phones and from one country to all countries. You'll additionally learn how to support your users with updates. No other resource compares for mastering the techniques needed for expert development on this mobile platform.

BlackBerry Storm For Dummies Robert Kao, Dante Sarigumba, 2009-04-03 The long-awaited BlackBerry Storm is here. Take advantage of all the cool things your new touch screen BlackBerry can do with *BlackBerry Storm For Dummies*. Your BlackBerry Storm can help you organize your calendar, surf the Internet, and stay in constant contact; it even works like a modem for your laptop. *BlackBerry Storm For Dummies* shows you how to unlock all of the exciting capabilities of your BlackBerry Storm. You'll discover how to customize your BlackBerry Storm, learn to navigate the touch screen, manage power consumption, and protect your device. Set up your contacts, keep notes, synchronize lists with your desktop, and manage your calendar. Keep in touch with e-mail, PIN to PIN, and instant messaging and phone calls. Browse the Internet and keep track of key sites. Play music and videos, take pictures or mini-movies, and tune in the news. Activate Storm's built-in GPS and use Google Maps or BlackBerry Map. Synchronize your BlackBerry with your desktop so your data is consistent wherever you go. Prepare your laptop to use your BlackBerry Storm as a modem. Install and manage third-party applications. Keep your personal information safe. You'll find tips for tapping and thumbing the touch screen, secrets for taking great photos and videos, and even fun games to play on your Storm. Whether you're upgrading from an earlier model or you just got your first BlackBerry, *BlackBerry Storm For Dummies* helps you utilize everything this handy device has to offer.
