Blinding Love Blinding Love Book:

Blind Love Bruce E. Hall, 2005 So many of us miss out on love because we fear what others may think about what we should do or whom we should love When we find love we should close our eyes because it s not to be seen It s to be felt Love is a human emotion set apart from race creed or color It s not what or who we were It s who we have become Love changes the way we think and what we believe It s an emotion that comes briefly for some but for others it lasts a lifetime This book was written for those who treat love as though it were clothing something we try on and discard if it doesn t fit For those who believe love can be put on hold until we decide it s time and for those who look for love only after looking at race know this Love has no time limit It has no color It s blind blind to the outer body It only sees what s inside It reacts on feelings something the eyes can never see That my friend is Blind Love
