The PPLI Solution Kirk Lorry, 2010-07-23 Private placement life insurance PPLI was once the exclusive domain of wealthy investors willing to tackle the logistical challenges of the offshore insurance market The investment portfolio tax and estate planning applications and ongoing investment potential of these policies made the effort worthwhile In recent years though a number of U S based insurance companies have developed similar policies that meet all U S insurance investment and tax regulations PPLI is becoming a fundamental component of effective tax trust and estate planning but few sources have been available to detail the best practices until now The PPLI Solution can serve as a resource for effective execution Written by leading practitioners the book will position advisers to capitalize as PPLI expands further into the high net worth market and becomes available to individuals with an investable net worth as low as 1 million Few investors whatever their net worth will want to venture into the PPLI market without guidance The PPLI Solution addresses the needs of investment managers consultants attorneys and accountants who want to achieve the broad understanding of PPLI s applications required of those providing advice It can serve as an authoritative source for anyone including investors seeking to know more about PPLI s nearly perfect tax efficiency solid creditor protection and powerful means of creating wealth **Medicine and the Market**

Daniel Callahan, Angela A. Wasunna, 2006-05-22 Outstanding Academic Title for 2007 Choice Magazine Much has been written about medicine and the market in recent years This book is the first to include an assessment of market influence in both developed and developing countries and among the very few that have tried to evaluate the actual health and economic impact of market theory and practices in a wide range of national settings Tracing the path that market practices have taken from Adam Smith in the eighteenth century into twenty first century health care Daniel Callahan and Angela A Wasunna add a fresh dimension they compare the different approaches taken in the market debate by health care economists conservative market advocates and liberal supporters of single payer or government regulated systems In addition to laying out the market versus government struggle around the world from Canada and the United States to Western Europe Latin America and many African and Asian countries they assess the leading market practices such as competition physician incentives and co payments for their economic and health efficacy to determine whether they work as advertised This timely and necessary book engages new dimensions of a development that has urgent consequences for the delivery of health care worldwide
