The Intimidation Factor Charles Redfern,2020-08-05 What do we do when a formerly vibrant back to the Bible movement drifts into a toxic swamp rimmed with attack dogs Charles Redfern faces that grim question squarely He discovers that American evangelical Christianity which surged in the mid twentieth century and offered a more genteel intellectually vigorous alternative to caustic fundamentalism fell into the hands of intimidators and backbiters It was a short journey from there to the movement s partisan sell out and the abandonment of time honored creeds Redfern describes his own story in which he came into the faith at the movement s height in the 1970s then views evangelicalism s decay across its spectrum He doesn t spare conflict adverse moderates in the process But he also discovers hope A winsome remnant survives and its wooing the back to the Bible people back to the Bible bearing the fruits of the Holy Spirit as they do so *Celebrating Texas Grade 6-8 Honoring the Past, Building the Future* McDougal Littell,2002-02-15 *Celebrating Texas* McDougal Littell,2003
