

*CONFEDERATE
LIKE ME*

A NOVEL

S. K. LONG

Confederate Like Me

Nathaniel Cheairs Hughes

Confederate Like Me:

Confederate Like Me S. K. Long, 2014-09-05 *Confederate Like Me* is a sensual historical novel that tells the tale of Winnie a pale complexioned teenaged black woman who comes of age in rural southeastern Virginia in the years right after the Civil War The novel is loosely based on actual events and contains part of my own family history Due to financial pressures caused by the Civil War Winnie s father a mulatto ex slave named Thornton Sr tells her that he has arranged for her to marry a local black farmer named Carpenter After some initial anxiety Winnie is actually excited by thoughts of being married and finally achieving the status of an adult woman She secretly hopes that her bridegroom will be the man of her dreams and that she will be able to raise a family of her own and live happily ever after However Winnie s dream becomes completely unhinged by a wedding night surprise Several days later she is surprised again when a much older white doctor named Grunburg arrives and explains the true nature of her father s arrangement She discovers that she has been thrust into an unseemly arrangement by her father her marriage to Carpenter is a sham arranged to provide Dr Grunberg access to sexual pleasures forbidden under the miscegenation laws of the 19th century As Winnie struggles to come to grips with the life her father has prepared for her she eventually learns to trust respect and even fall in love with the much older Dr Grunburg Trouble ensues when the doctor s finances and health begin to fail and Winnie becomes the object of desire of the mysterious headstrong and cunning son of a wealthy Tidewater land owner What does this mysterious stranger want Will the Doctor defend the woman he loves

Yale's Confederates Nathaniel Cheairs Hughes, 2008 Biographical dictionary detailing the pre and post war activities of over 500 Yale College students during the Civil War era

Confederate Veteran , 1926 **Blount County, Alabama Confederate Soldiers, Volume 3: Miscellaneous** Robin Sterling, 2013-08-15 Mary Gordon Duffee wrote When the drums beat and the bugles called for men to march to the front I tell you old Blount responded nobly and sent hundreds of her gallant sons to march fight suffer and die for the flag that now lies furled forever This series of books attempts to identify all the Confederate soldiers who enlisted in organizations from the Blount County area along with those who moved to Blount County after the Civil War Whole company rosters are captured and entire service records pension applications birth dates spouses and marriage dates newspaper clippings and obituaries and dozens of pictures are contained in these volumes This is the first time ever all this information has been available in a single reference book Volume 3 contains information on soldiers who enlisted in other Alabama organizations and those who moved to Blount County after the Civil War These books are vital to any serious student of Blount County Alabama genealogy and history

Confederate Veteran , 1988

The 10 Biggest Civil War Blunders Edward H. Bonekemper, 2018-01-22 What makes the Civil War so fascinating is that it presents an endless number of what if scenarios moments when the outcome of the war and therefore world history hinged on a single small mistake or omission In this book Civil War historian Edward Bonekemper highlights the ten biggest Civil War blunders focusing in on intimate moments of military indecision and inaction involving great generals like Robert E

Lee Ulysses S Grant and William T Sherman as well as less effective generals such as George B McClellan Benjamin Butler and Henry W Halleck Bonekemper shows how these ten blunders significantly affected the outcome of the war and explores how history might easily have been very different if these blunders were avoided **Searching for Black Confederates** Kevin M. Levin, 2019-08-09 More than 150 years after the end of the Civil War scores of websites articles and organizations repeat claims that anywhere between 500 and 100 000 free and enslaved African Americans fought willingly as soldiers in the Confederate army But as Kevin M Levin argues in this carefully researched book such claims would have shocked anyone who served in the army during the war itself Levin explains that imprecise contemporary accounts poorly understood primary source material and other misrepresentations helped fuel the rise of the black Confederate myth Moreover Levin shows that belief in the existence of black Confederate soldiers largely originated in the 1970s a period that witnessed both a significant shift in how Americans remembered the Civil War and a rising backlash against African Americans gains in civil rights and other realms Levin also investigates the roles that African Americans actually performed in the Confederate army including personal body servants and forced laborers He demonstrates that regardless of the dangers these men faced in camp on the march and on the battlefield their legal status remained unchanged Even long after the guns fell silent Confederate veterans and other writers remembered these men as former slaves and not as soldiers an important reminder that how the war is remembered often runs counter to history **War Talks of Confederate Veterans** George S. Bernard, 1892 Robert E. Lee's Orderly A Black Youth's Southern Inheritance (2nd Edition) Al Arnold, 2018-02-14 A descendant of a slave Al Arnold tells his journey of embracing his Confederate heritage His ancestor Turner Hall Jr a Black Confederate served as a body servant for two Confederate soldiers and an orderly for General Robert E Lee Turner Hall Jr returned to Okolona Mississippi after the Civil War Hall served a prominent family in that community for five generations His life s journey eventually led him to Hugo Oklahoma where he established himself as the town s most distinguished citizen receiving acclaim from Black and White citizens alike for his service In 1938 his journey continued to Pennsylvania as the last Civil War veteran from his community to attend the final Civil War veteran reunion as a Black Confederate He also traveled to New York City and was interviewed by the national talk radio show We The People in 1940 One hundred and three years after the Civil War Hall s great great grandson Al Arnold was born in Okolona Mississippi Raised in North Mississippi Al would later discover the history of his ancestor and began an eight year journey of why how and for what reasons his ancestor served the Confederate armies To his amazement Al discovered that seventy two years after the Civil war his ancestor was a proud Confederate and held in his possession a cherished gift from the Confederate Civil War general Nathan Bedford Forrest *Bayard's Courier* Blackwood Ketcham Benson, 1902 **Mississippi in 1875** United States. Congress. Senate. Select Committee to Inquire into the Mississippi Election of 1875, 1876 **Weekly World News** , 1993-02-16 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979

The online hub www.weeklyworldnews.com is a leading entertainment news site

The Confederate Veteran Magazine, 1895 **The Universal Anthology** Richard Garnett, 1899 **The Logical Point**, 1910 *A Concordance to the Poems of Robert Browning* Leslie Nathan Broughton, Benjamin Franklin Stelter, 1924 **Confederate Sheet Music** E. Lawrence Abel, 2004

During the American Civil War songs united and inspired people on both sides The North had a well established music publishing industry when the war broke out but the South had no such industry The importance of music as an expression of the South's beliefs was obvious as one music publisher said The South must not only fight her own battles but sing her own songs and dance to music composed by her own children Southern entrepreneurs quickly rose to the challenge This reference book is distinguished by three major differences from previously published works First it lists sheet music that is no longer extant and listed nowhere else Second it gives complete lyrics for all extant songs a rich source for researchers And third a brief historical background has been provided for many of the songs Each entry provides as much of the following as possible staying faithful to the typography of each title page the title as published names of all lyricists composers and publishers dates of publication cities of publication and if applicable the names of catalogs or magazines in which the song appeared Music published in Southern cities under Federal occupation is excluded

The Myth of the Lost Cause Edward H. Bonekemper, 2015-10-05 History isn't always written by the winners Twenty first century controversies over Confederate monuments attest to the enduring significance of our nineteenth century Civil War As Lincoln knew the meaning of America itself depends on how we understand that fratricidal struggle As soon as the Army of Northern Virginia laid down its arms at Appomattox a group of Confederate officers took up their pens to refight the war for the history books They composed a new narrative the Myth of the Lost Cause seeking to ennoble the sacrifice and defeat of the South which popular historians in the twentieth century would perpetuate Unfortunately that myth would distort the historical imagination of Americans north and south for 150 years In this balanced and compelling correction of the historical record Edward Bonekemper helps us understand the Myth of the Lost Cause and its effect on the social and political controversies that are still important to all Americans

Congressional Record, 1888 **The Alumni Bulletin**, 1909

As recognized, adventure as without difficulty as experience practically lesson, amusement, as capably as union can be gotten by just checking out a ebook **Confederate Like Me** as a consequence it is not directly done, you could tolerate even more going on for this life, in relation to the world.

We come up with the money for you this proper as well as simple artifice to acquire those all. We have the funds for Confederate Like Me and numerous book collections from fictions to scientific research in any way. among them is this Confederate Like Me that can be your partner.
