Cosmic Girl Looking For Trouble:

Cosmic Girl: Looking for Trouble R. Gregory, 2014-11-23 In a world where people are still getting used to the idea of having real life superheroes amongst them they now have to deal with a super villain Devlin De Marco causes death and destruction wherever he goes and becomes Americas most wanted man But when a network of international terrorists suddenly vanish off the grid the government fear the worst and make a deal with Cosmic Girl guaranteeing her safety and that of her friends But when you re chasing down the most dangerous man who has ever lived safety goes out the window The race is on to find Devlin and end his reign of terror before the terrorists find him first There s just one slight problem How do you capture a Super Cosmic Girl Looking for trouble is the second novel in this exciting new superhero series Fasten your seatbelt

Finding My Virginity Richard Branson, 2017 Global business icon Richard Branson has written many books but none have been more popular than his first memoir 1998 s Losing My Virginity Now he s finally publishing his second volume of memoirs covering all of his fascinating ups and downs of the past two decades

Delta Squad - Black Jesse Wilson, 2024-09-03 Months after the Delta Squad ended the cosmic threat and saved the world they find themselves captured in a world controlled by the Syndicate held in torment While everything seems peaceful the Chronovore still stalks the world devouring time and speeding the decay of everything that exists The Syndicate is hunting her in order to end the threat but with little success After a mysterious group frees the Delta Squad they realize that the whole world is against them Now the squad must face off against the Syndicate and the Chronovore at the same time and time is literally running out for everyone

Victoria's Madmen C. Bloom, 2016-01-13 Victoria s Madmen is the story of those who were outcasts by temperament and choice the non conformists of the Victorian Age Clive Bloom s readable account of the dark underbelly of Victoria s Britain captures the unrest bubbling under the surface of strait laced Victorian society

Ordinary Women, Extraordinary Lives Kriste Lindenmeyer, 2000-06 This collection of seventeen minibiographies sheds light on the often neglected herstory of U S history from the revolutionary era through the late twentieth century In addition this volume suggests the complexity of studying the past when gender race class region age and ethnicity are included in the analysis This book is unique in that it focuses on the lives of ordinary women The names of the vast majority of those whose stories are included here will likely be unfamiliar even to serious students of American women s history The varied experiences of such women help to create a more complete picture of the past by revealing the influence general historical trends have had on the lives of ordinary individuals But ordinary does not mean lesser nor does it denote class race ethnicity or age The individual women s stories that are told in the following pages show that even people who are not featured in mainstream history texts led lives that deserve the attention of those interested in understanding the past The authors of these chapters have found support for generalizations commonly held by American women s historians Nonetheless their research has also led to unexpected findings that ask students of women s history to examine assumptions about the past more closely
