Cowley's Talks on Doctrine (Classic Reprint) Matthias F. Cowley,2018-01-14 Excerpt from Cowley s Talks on Doctrine It is evident from the foregoing that some were likely to be deceived with regard to the time of His second coming Paul to prevent their being misled by false teachers who were likely predicting the Savior s advent testified that there should come a falling away first The language is so pointed that one can readily see that nothing but a departure from the unchangeable plan of salvation could fulfill this prediction We read in the Scriptures that God hath set some in the Church first apos tles secondarily prophe ts and other officers all of whom were divinely inspired for the work of the ministry with spir itual gifts following the baptized believers Only a short time elapsed however before these officers principles gifts and bless ings mentioned in the New Testament were not to be found on the earth and when we examine the religious institutions of the present time these things which God set in the Church are not found save with the Latter day Saints The present generation then As those of many centuries past have been are witnesses to the verification of the words we have quoted About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
