options and ways to stay competitive in the field **Medical Coding Study Guide** Speedy Publishing, 2014-11-26

Individuals who are preparing to take medical coding exams should note that study guides can help them earn the competitive score they want. This is the case for several reasons including the fact that these study guides tend to incorporate a lot of helpful material including medical and anatomy terminology reviews, testing techniques for the exam questions that parallel the CPC certification exam, practical examples, review questions designed to test the student's knowledge of important coding concepts and many more.

Cpc Certification Study Guide Trivium Test Prep, 2013-12

Think all CPC study guides are the same. Think again. With easy-to-understand lessons and practice test questions designed to maximize your score, you'll be ready. You don't want to waste time and money having to study all over again because you didn't get effective studying in. You want to accelerate your education, not miss opportunities for starting your future career in medical billing and coding. Every year, thousands of people think that they are ready for the CPC Certified Professional Coder exam but realize too late when they get their score back that they were not ready at all. They weren't incapable and they certainly did their best but they simply weren't studying the right way. There are a variety of methods to prepare for the CPC Exam and they get a variety of results. Trivium Test Preps CPC Study Guide provides the information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the CPC exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our CPC study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand and fully explained, example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam. 150 CPC practice questions just like the ones on the real test are included with full rationales and explanations so that you can know without a doubt that you are prepared. Our study guide is streamlined and concept-driven, not filled with excess junk, silly attempts at humor, or confusing filler so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.

Official CPC Certification Study Guide American Academy of Professional Coders, 2012-12-07

Packed with test-taking tips and techniques, the 2013 CPC CERTIFICATION STUDY GUIDE delivers a current and comprehensive review that is the ideal prep for the AAPC CPC Certification Exam. The guide begins with a complete summary of the business of medicine, ensuring a solid understanding of the medical office and the role of the coder. It covers ICD-9-CM guidelines using real-life examples. Each body system is reviewed, including coverage of the anatomy-related diagnosis coding, CPT coding, HCPCS Level II coding, and modifiers. End-of-chapter questions are modeled after those on the actual certification exam, and operative notes give readers further hands-on experience coding what they have learned. An end-of-guide practice exam gives readers additional practice putting their skills to the test.
