Young, Nancy K. Young, 2005-02-28 Prior to the stock market crash of 1929 American music still possessed a distinct tendency towards elitism as songwriters and composers sought to avoid the mass appeal that critics scorned During the Depression however radio came to dominate the other musical media of the time and a new era of truly popular music was born Under the guidance of the great Duke Ellington and a number of other talented and charismatic performers swing music unified the public consciousness like no other musical form before or since At the same time the enduring legacies of Woody Guthrie in folk Aaron Copeland in classical and George and Ira Gershwin on Broadway stand as a testament to the great diversity of tastes and interests that subsisted throughout the Great Depression and play a part still in our lives today The lives of these and many other great musicians come alive in this insightful study of the works artists and circumstances that contributed to making and performing the music that helped America through one of its most difficult times The American History through Music series examines the many different styles of music that have played a significant part in our nation's history While volumes in this series show the multifaceted roles of music in our culture they also use music as a lens through which readers may study American social history The authors present in depth analysis of American musical genres significant musicians technological innovations and the many connections between music and the realms of art politics and daily life *My Melancholy Baby* Michael G. Garber, 2021-06-28 2022 Association for Recorded Sound Collections Awards for Excellence Certificate of Merit in the category of Best Historical Research in Recorded Rock and Popular Music Ten songs from Bill Bailey Won't You Please Come Home 1902 to You Made Me Love You 1913 ignited the development of the classic pop ballad In this exploration of how the style of the Great American Songbook evolved Michael G Garber unveils the

complicated often hidden origins of these enduring pioneering works He riffs on colorful stories that amplify the rising of an American folk art composed by innovators both famous and obscure Songwriters and also the publishers arrangers and performers achieved together a collective genius that moved hearts worldwide to song These classic ballads originated all over the nation Louisiana Colorado Illinois Michigan and then the Tin Pan Alley industry centered in New York made the tunes unforgettable sensations From ragtime to bop cabaret to radio new styles of music and modes for its dissemination invented and reinvented the intimate personal American love ballad creating something both swinging and tender Rendered by Frank Sinatra Ella Fitzgerald and a host of others recordings and movies carried these songs across the globe Using previously underexamined sources Garber demonstrates how these songs shaped the music industry and the lives of ordinary Americans Besides covering famous composers like Irving Berlin this history also introduces such little known figures as Maybelle Watson who had to sue to get credit and royalties for creating the central content of the lyric for My Melancholy Baby African American Frank Williams contributed to the seminal Some of These Days but was forgotten for decades The ten ballads explored here permanently transformed American popular song *I Love You Truly* Max Morath,2008-12 In her 1927 autobiography Carrie Jacobs Bond wrote The only thing that seems to me at all remarkable about my life is that I was nearly thirty two years old before I even thought of having a career After years of research I have concluded on the contrary that everything about her life was remarkable A divorcee then a widow she was nearly forty years old before her music lifted her out of poverty She went on to make a fortune as her own publisher becoming an international celebrity world traveler friend of the rich and famous sometime vaudeville star and a charitable woman who gave away most of her money before she died The woman s life needs to be revisited Her own book was long on anecdotes and platitudes but short on times and places and on the secrets of her heart I have filled in some of the blank pages in her life s story by creating this new autobiography Names and places and dates within reach of my research are faithfully employed The rest is an affectionate and studied re telling of her life knit together by a man who never met Carrie Jacobs Bond but has been under her spell ever since he sang I Love You Truly in 7th grade Boys Glee Club MAX MORATH EDITOR USE THIS QUOTE BOTTOM BACK PAGE Morath brings to everything he touches a keen intelligence and encyclopedic knowledge of every aspect musical and otherwise of late 19th and early 20th century Americana New York Post **Library Journal** ,2002 *The Rise and Fall of the Broadway Musical* Mark N.
